A trip to the Carnegie Civic Leadership Summit in July 2027!

Carnegie Challenge for Civic Leadership

Scan the QR code.
We want to hear your ideas!

Ashoka and the Andrew Carnegie Foundation have launched the Carnegie Challenge for Civic Leadership, **inviting young people 5-20** in the United States, Kenya, Nigeria, and South Africa to take action to solve problems in their communities. Whether launching a new idea or growing an existing project, young civic leaders are invited to share how they are making a difference and inspiring others to get involved!
