Meeting Room Policy

JPAB Policy #315
Adopted: March 2020
Five-year Review Schedule: March 2025

Why does the Library provide public access to community rooms?

The Santa Cruz Public Library’s room policy seeks to support the Library’s mission to “connect, inspire, inform” and to support its vision to “transform lives and strengthen communities.” Public spaces make it possible for the residents of Santa Cruz County to collaborate and build knowledge and understanding of one another as a community.

Priority for room reservations is given to Library sponsored programs. If the Library has not reserved the room for itself, priority is then given to government agencies.

Reserving Community Rooms Outside of Regular Library Hours

Groups seeking to use Library space after the normal library hours of operation must first become a library partner. Library partners support the Library’s strategic plan and program goals of the Library. We require that partners meet with Library staff and complete an MOU, Program Room Contract and participate in an on-site orientation. If you are interested in starting the process to become a library partner, please contact one of the following Regional Managers:
