RECOMMENDATION

It is recommended that the Board:

- Acknowledge that the Community Facilities District Report as prepared by NBS was received by the Board at the February 4, 2016 meeting.
- Acknowledge that: 1) the public hearing to consider forming the Community Facilities District and incur debt in an amount not to exceed \$67,000,000 was opened at the regular Board meeting properly noticed and held on February 4, 2016 and continued to this day and time; 2) not public comments were made at that time; and, 3) Note that the hearing is now open and that the Board is prepared to hear comments relating to the subject of the Hearing.
- After receiving comments close the public hearing.
- Then adopt the resolutions in the following order: 1) the Resolution of Formation of Community Facilities District; 2) the Resolution Determining the Necessity to Incur Bonded and Other Indebtedness; 3) the Resolution Calling Special.

By local rule all actions in this matter must be unanimously approved by all Directors to be successfully enacted.

BACKGROUND

At the regularly scheduled Board meeting of February 4, 2016, your board received and filed the Community Facilities District Report as prepared by NBS. Your Board also opened the Public Hearing to consider the formation of a Community Facilities District and continued the hearing to this date.

A revised public hearing notice was published on Wednesday, February 3, 2016 in the Santa Cruz Sentinel, a paper of general circulation within the proposed boundary of the CFD. See Attachment 1.

DISCUSSION

Once the public Hearing is held and closed, your Board should consider the following resolutions in the order presented:

- Resolution of Formation (See Attachment 2.)

This resolution describes certain steps that are necessary and have been or will be taken for the formation of the CFD pursuant to the Act, including that the public hearings have been held, that no majority protest of registered voters precluding the formation of the CFD has occurred, that the boundary map of the CFD has been recorded, and that the Report has been prepared and accepted. It also declares the CFD to be formed, and confirms the approval of the RMA. Finally, the resolution states that a special tax will be levied within the CFD and preliminarily establishes an appropriations limit for the CFD, both subject to a vote by the registered voters in the CFD.

- Resolution Determining Necessity (See Attachment 3.)

This resolution declares the necessity to incur bonded debt for the CFD and establishes the bonded indebtedness limit of \$67,000,000, subject to a vote by the registered voters in the CFD.

- Resolution Calling Election (See Attachment 4.)

This resolution establishes the date of June 7, 2016 for a special election (conducted with the scheduled Presidential Primary election on that date) by registered voters on three measures: the levy of special taxes within the CFD, and the ability of the CFD to issue bonds in an amount not to exceed \$67,000,000, and the appropriations limit for the CFD. These measures must be approved by 2/3rds of registered voters in the CFD casting votes at the special election.

These resolutions differ from the prior resolutions submitted on February 4, 2016 only in the correction of one typographical error (Resolution of Formation) and the anticipated date of adoption (all resolutions).

Approval of these resolutions does not in any way commit the LFFA to any financial contribution or liability to repay the bond indebtedness. Should the special tax election be successful, the LFFA's cost to administer the CFD annually will be reimbursed through annual special taxes charged to property owners and will constitute a foreclosable lien on such property if unpaid.

Prepared and approved by:
Richard Hill, Interim Executive Director.

C. MAXIMUM SPECIAL TAX

a. Developed Property and Taxable Public Property

(1). Maximum Special Tax

The Maximum Special Tax that may be levied in any Fiscal Year for each Assessor's Parcel is shown in Table 1.

TABLE 1

**Maximum Special Tax for Developed Property
in CFD No. 2016-1 in any Fiscal Year**

Property Type	Per	Maximum Special Tax
Single Family Residential	Unit	\$49.50
Multi Family Residential	Unit	49.50
Agricultural	Parcel	86.00
Commercial	Parcel	86.00
Recreational	Parcel	86.00

(2). Multiple Property Types

In some instances, an Assessor's Parcel of Developed Property may contain more than one property type/use. The Maximum Special Tax levied on an Assessor's Parcel shall be the sum of the Maximum Special Tax for all property uses located on that Assessor's Parcel.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2016/17 and for each following Fiscal Year, the Board or its designee shall determine the Special Tax Requirement and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

Step 1: The Special Tax shall be levied on each Assessor's Parcel of Developed Property, Proportionately, up to 100% of the Maximum Special Tax to satisfy the Special Tax Requirement.

Notwithstanding the above the Board may, in any Fiscal year, levy Proportionately less than 100% of the Maximum Special Tax in step one (above), when (i) the Board is no longer required to levy the Special Tax at 100% in order to meet the Special Tax Requirement, and (ii) all authorized CFD No. 2016-1 Bonds have already been issued or the Board has covenanted that it will not issue any additional CFD No. 2016-1 Bonds (except refunding Bonds) to be supported by the Special Tax.

Further, notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2016-1.

E. EXEMPTIONS

No Special Tax shall be levied on Public Property and Undeveloped Property. However, should an Assessor's Parcel no longer be classified as Public Property or Undeveloped Property its tax-exempt status will be revoked. In the case of Public Property and pursuant to Section 53317.3 of the Act, if property not otherwise exempt from the Special Tax levied pursuant to this chapter is acquired by a public entity through a negotiated transaction, or by gift or devise, the special tax shall, notwithstanding Section 53340, continue to be levied on the property acquired and shall be enforceable against the public entity that acquired the property. However, the public agency that acquires the property may prepay and satisfy the obligation to pay the tax pursuant to Section H below.

Taxable Public Property shall be subject to the levy of the Special Tax, assigned to a Property Type in accordance with the use of the property, and shall be taxed Proportionately as part of the first step in Section D above, at up to 100% of the applicable Maximum Special Tax.

F. APPEALS AND INTERPRETATIONS

Any property owner may file a written appeal of the Special Tax with the CFD Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later than the June 30th of the Fiscal Year in which the Special Tax is due and the appellant must be current in all payments of Special Taxes. In addition, during the term of the appeal process, all Special Taxes levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the Board requires the Special Tax to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Taxes, but an adjustment shall be made to credit future Special Tax levy (ies).

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

G. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2016-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. PREPAYMENT OF SPECIAL TAX

The following definition applies to this Section H:

"**CFD Public Facilities**" means either \$78,100,000 in 2016 dollars, which shall increase by the Construction Inflation Index on July 1, 2017, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 2016-1 under the authorized bonding program for CFD No. 2016-1, or (ii) shall be determined by the Board concurrently with a covenant that it will not issue any more CFD No. 2016-1 Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.

"**Construction Fund**" means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible to be funded by CFD No. 2016-1 under the Act.

"**Construction Inflation Index**" means the annual percentage change in the April to April Engineering News-Record Building Cost Index for San Francisco, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the April to April Engineering News-Record Building Cost Index for San Francisco.

"**Future Facilities Costs**" means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance facilities costs.

"**Outstanding Bonds**" means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

"**Previously Issued Bonds**" means all CFD No. 2016-1 Bonds that have been issued by CFD No. 2016-1 prior to the date of prepayment.

1. Prepayment in Full

The obligation of an Assessor's Parcel to pay the Special Tax may be prepaid and permanently satisfied as described herein; provided that a prepayment may be made after at least one series of CFD No. 2016-1 Bonds has been issued and only for Assessor's Parcels of Developed Property or Undeveloped Property for which a Final Subdivision has been recorded prior to January 1 of the prior Fiscal Year, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. The CFD Administrator may charge a fee for providing this service. Prepayment in any six month period must be made not less than 45 days prior to the next occurring date that notice of redemption of CFD No. 2016-1 Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Special Tax Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
Total: equals	Prepayment Amount

As of the proposed date of prepayment, the Special Tax Prepayment Amount (defined below) shall be calculated by the CFD Administrator as follows:

Paragraph No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.

2. For Assessor's Parcels of Developed Property, compute the Maximum Special Tax applicable for the Assessor's Parcel to be prepaid.
3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total estimated Maximum Special Tax for CFD No. 2016-1 based on the Developed Property Special Tax which could be charged in the current Fiscal Year, excluding any Assessor's Parcels which have been prepaid, and
4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (e.g., the redemption price-100%), if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Tax levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Add the amounts computed pursuant to paragraphs 8 and 9 to determine the "Defeasance Amount".
11. Verify the administrative fees and expenses of CFD No. 2016-1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No.2016-1 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").
12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement on the prepayment date or the redemption date.
13. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10 and 11, less the amount computed pursuant to paragraph 12 (the "Prepayment Amount").
14. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 10 and 12 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2016-1.

The Special Tax Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of CFD No. 2016-1 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of CFD No. 2016-1 Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the CFD Administrator shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Tax that may be levied on Taxable Property within CFD No. 2016-1 both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding CFD No. 2016-1 Bonds.

2. Prepayment in Part

The Special Tax may be partially prepaid, provided that a partial prepayment may be made after at least one series of CFD No. 2016-1 Bonds has been issued and only for Assessor's Parcels of Developed Property, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of partial prepayment. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated by the CFD Administrator according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Special Tax Prepayment Amount calculated according to Section H.1

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The Special Tax partial prepayment amount must be sufficient to redeem at least a \$5,000 increment of Bonds.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax and the percentage by which the Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the CFD Administrator shall (i) distribute the prepayment funds remitted according to Section H.1, and (ii) indicate in the records of CFD No. 2016-1 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied for a period not to exceed 30 years commencing with Fiscal Year 2016/17.
