#### Facilities

The grand reopening of the Garfield Park Library took place on Saturday, June 10, 2022, from noon to 4 p.m. Local community members stopped by to hear special guest remarks from Third District Supervisor Ryan Coonerty and Santa Cruz City Manager Matt Huffaker. Former Mayor Mike Rotkin treated the crowd to some local Garfield Park Library history.

Second District Supervisor Zach Friend and County CAO Carlos Palacios provided remarks at the lively June 15 Aptos Library groundbreaking event.

The Scotts Valley Library grand reopening is scheduled for August 6 from 10 a.m. to 2 p.m. Delays occurred due to the delivery of the circulation desk, materials, and rework of some interior electrical.

Supply chain delays have pushed the delivery of the Live Oak ceiling to August 22. The grand reopening will take place in late September or October.

Supply chain delays for the windows and glass wall delivery have pushed the Branciforte opening to September or October. Branciforte and Live Oak should be available around the same time.

Downtown Santa Cruz's power outage in June resulted in late opening and downed internet service. Power outages in the Felton area resulted in late starts during July.

#### Information Technology

Maintenance on the primary Internet circuit and backup battery took place in July. The Library met with human resources to prepare for implementing the Neogov Onboard and Perform modules.

#### Featured Programs and Services

Santa Cruz Public Libraries will participate in the Digital Navigators program announced through <u>Connected California</u>. The program provides a team of Digital Navigators dedicated to bridging the digital divide, one patron at a time. How it works:

- Patrons connect with digital navigators via web form, email, text message, phone call, or library staff referral, in English or Spanish, anytime.
- They work remotely with the patron, including step by step assistance, connections to online resources and classes, and referrals to local resources.
- Library partners promote the service and refer clients who can best benefit. The program provides outreach materials and some limited funds to reimburse printing costs.

The program is free to libraries, and to all Californians. It is supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the American Rescue Plan Act, administered in California by the State Librarian.

The Library Equity Team began meeting with the County to participate in their Anne E Casey Foundation Equity work. Unfortunately, several members of the Equity Team moved on this month to pursue other opportunities. Our Equity Team is in the process of recruiting new members of staff and will make a presentation on their progress in the future.

Librarians and Library Branch managers are preparing for a quarterly retreat to discuss programming and services for the next quarter and year ahead. The group plans to meet quarterly to facilitate the programs and services that meet the goals of our strategic direction, encourage collaboration and allow our staff to set reasonable expectations on our capacity.

#### **CLA and State Library Relations**

The Library requested an additional 150-200 State Park passes. Currently, 113 patrons are in the hold queue awaiting a pass checkout.

The California Library Association lobbyists issued the attached News from the Capitol with State Budget information relevant to libraries.

RE: NEWS FROM THE CAPITOL

# 1. LEGISLATURE ADOPTS 2022-23 BUDGET AGREEEMENT, SENDS IT TO GOVERNOR: LIBRARY PROGRAMS FUNDED

Last night the State Assembly and Senate worked late into the evening to adopt the 2022-23 State Budget bill and numerous corresponding Budget "trailer bills." You may have read that two weeks ago, the legislature sent Governor Newsom a Budget bill (SB 154-Skinner), in order to meet the Constitutional deadline of passing the Budget by June 15<sup>th</sup> - or legislators would forfeit their pay. However, at the time of the bill's passage there was no formal agreement between the Democrat leaders in each house and the Governor. The Governor let the bill sit on his desk until additional details could be hammered out between his office and the Leadership relative to K-12 funding, energy, wildfire resilience, infrastructure, gas tax relief, and many other critical subject areas.

Last night on the Senate Floor, Senate President pro Tem Toni Atkins called the final Budget deal that was crafted between the Governor and the legislature: "remarkable," and "one of the very best" she has worked on and helped to create in her time as pro Tem and formerly as Assembly Speaker. AB 178-Ting ("Budget bill Jr.") was ultimately sent to the Governor last night for his signature.

For public libraries, there is good news contained in the Budget bills, SB 154-Skinner (signed on June 27) and AB 178-Ting, which is pending signature by the Governor:

**\$5 million in ongoing funding for Lunch at the Library.** Funding was increased this year from \$1 million to \$5 million and the fact that the funding will now be "ongoing" in nature (rather than a one-time appropriation) allows public libraries to be able to plan their programs year-to-year.

□ **\$50 million (one-time funding) in public library infrastructure grants for Budget year 2022-23**. This funding is on the heels of last year's Budget, which provided \$439 million for library infrastructure grants. The \$50 million will have a \$10 million grant cap per project, and will require a local match. The Budget also includes language indicating legislative intent to provide an additional \$100 million in library infrastructure grants in Budget year 2023-24 as well.

□ **\$10 million (one-time funding) for online job training and workforce development resources at public libraries.** The \$10 million would continue to fund popular online programs, such as Coursera, LinkedIn Learning, VetNow, JobNow, etc.

□ \$68 million to create the "Statewide Imagination Library, a California iteration of Dolly Parton's Imagination Library under the administration of the State Librarian." This program registers children ages 0-5 to receive free books, which are sent to their home via the Dolly Parton Imagination Library. Libraries and others would partner with non-profits to provide the service. A corresponding bill, SB 1183 (which will implement the program), is making its way through the legislature with strong, bi-partisan support. The bill is authored by former Republican Leader Senator Shannon Grove, and her co-author, the Senate President pro Tem Toni Atkins.

Note: We anticipate that the Governor will likely sign AB 178-Ting today so that it is in effect for the start of the new fiscal year, July 1.

#### 2. "CHILDREN'S CAMP" BILL IS AMENDED TO ADDRESS CLA OPPOSITION

AB 1737 by Assembly member Holden has been of great concern to the California Library Association since its introduction earlier this year. As introduced, the bill sought to identify and register "children's camps" in California and create standards by which they must operate, which would have included the presence of at least two mandated reporters during the duration of the camp, background checks, health and safety protocols, inspections, etc. Unfortunately, the definition of "children's camps" was drawn so broadly in the bill that it included any conceivable "camp" that a public library might operate during the year for children ages 3 to 17 and lasting 5 days or more. (e.g. STEM camp, computer coding camp, literacy camp, etc.) Adding additional confusion, there is also a definition in the bill of "organized camps" which may include an "outdoor group living experience." The bill also spoke of camps where high-risk activities were included such as archery, ziplining, motorsports, and others.

In the bill's first policy committee in the Assembly Health Committee, we asked the author to consider exempting public libraries completely from the bill, as CLA felt that public library programs were completely different than a sleep-over camp with ziplining activities and camp counselors. However, we were unable to secure an exemption as the bill moved through the Assembly side, as the bill's sponsor did not want to include a series of exemptions in the bill. Meanwhile, our office maintained conversations with the author's office on a regular basis. When the bill reached the Senate side, the two policy committees – Senate Human Services and Senate Public Safety were very helpful in listening to the concerns of CLA and trying to help us forge a path forward.

In the Senate Human Services Committee hearing on June 20<sup>th</sup>, the committee recommended stripping out a good portion of the language in the bill and creating a Stakeholder/Working Group to develop a Master Plan on children's camp safety. (Recommendations from the working group would be brought back to the legislature by January 2024 to inform next steps.) However, what remained in the bill was onerous language that would have: **made public library directors and staff mandated child reporters** and would have required library staff to be background checked and take abuse and neglect identification training. We testified on behalf of CLA at the hearing and indicated our continued opposition to any language that would require public library directors and staff to become mandated child reporters. Senator Richard Pan who is a member of the committee and a pediatrician, spoke in support of CLA's concerns and indicated his own concerns

that there is a significant liability that comes with serving as a mandated child reporter. Dr. Pan argued that he would prefer to see public libraries left out of that requirement. He also noted that there can be a tendency to over-report abuse and neglect cases due to liability concerns – such reporting, he said, may fall disproportionately on low-income children or children of color. CLA is grateful to Senator Richard Pan for his remarks in committee. The bill passed out of committee and headed to its next policy committee.

In the Senate Public Safety Committee on Tuesday of this week, the Committee Chair, Senator Steve Bradford recommended that the onerous provision pertaining to mandated reporters be stricken from the bill. The Committee's Chief Consultant who analyzed the bill had noted in her analysis that the penalty for a mandated reporter to fail to report suspected child abuse or neglect is a <u>misdemeanor</u>. The consultant questioned, "The bill would add a person who is over the age of 18 who is a camp operator, camp director, staff member, or counselor at a children's camp to the list of mandated reporters. Should anyone over 18 be a mandated reporter?" The consultant also featured CLA's entire opposition letter in the text of the analysis. In our letters to the various policy committees, we have consistently noted that "without an exemption for public libraries or the elimination of [Section] 60003.5, public libraries will simply elect to shut down their summer programs because of this costly and administrative burden."

At the hearing, we confirmed that the section in question (60003.5 in previous versions of the bill, and 60000 in the most current version of the bill) will be stricken, per the committee's insistence. During the hearing we thanked the committee and the author for continuing to work with CLA throughout the process. CLA will review those amendments when the bill is in print and the CLA Legislative Committee will determine if they can officially move to a "neutral" position on the bill. The bill now heads to the fiscal committee, where it will receive a hearing in August. A special "thank you" to the members of the CLA Legislative Committee who provided examples to use with legislators of how the bill would affect their "summer camp" programs, as well as Ann Grabowski at San Jose Public Library, Derek Wolfgram at Redwood City Library, and lobbyists for the California Special District's Association and the League of Cities.

# **STAFF REPORT**

AGENDA: Thursday, August 4, 2022

DATE: July 19, 2022

TO: Library Joint Powers Authority Board

FROM: Stephanie Duck, General Counsel

SUBJECT: Resolution Re-authorizing the Library Joint Powers Authority to Continue Remote Teleconference Meetings Pursuant to Assembly Bill 361.

#### RECOMMENDATION

Adopt Resolution No. 2022-003 Authorizing Continued Remote Teleconference Meetings pursuant to Assembly Bill 361.

#### DISCUSSION

Pursuant to AB 361 and as codified at California Government Code section 54953, legislative bodies may use modified teleconferencing rules to conduct public meetings during a proclaimed State of Emergency under certain circumstances, including that state or local officials have imposed or recommended measures to promote social distancing. <sup>1</sup> The State of Emergency proclaimed by the Governor on March 4, 2020, due to the COVID-19 pandemic remains in effect today. In February 2022, the Santa Cruz County Health Officer, together with eleven other Bay Area health officers, issued a press release announcing alignment with the California Department of Public Health's indoor masking guidance, which requires that all individuals wear face coverings indoors in specified high-risk settings, and strongly recommends that all individuals continue to wear face coverings while in indoor public settings.<sup>2</sup>

This Board adopted its initial AB 361 findings at its meeting of October 7, 2021, and adopted subsequent AB 361 findings at its meetings of December 2, 2021, February 3, 2022, April 7, 2022 and May 5, 2022. To continue teleconferenced meetings under AB 361, the law requires that the Board adopt findings within thirty (30) days after its initial teleconference, and every thirty (30) days thereafter, that it has reconsidered the circumstances of the State of Emergency, and either (i) the state of emergency continues to directly impact the ability of the members to meet safely

<sup>&</sup>lt;sup>1</sup> Cal. Gov't Code § 54953(e)(1)(A)-(C).

#### SANTA CRUZ LIBRARY JOINT POWERS AUTHORITY'S SUBSEQUENT FINDINGS PURSUANT TO ASSEMBLY BILL 361 AUTHORIZING TELECONFERENCE MEETINGS AS A RESULT OF THE CONTINUING COVID-19 PANDEMIC STATE OF EMERGENCY AND HEALTH OFFICER RECOMMENDATION FOR SOCIAL DISTANCING

WHEREAS, the Santa Cruz Library Joint Powers Authority ("LJPA") is a legislative body under the Ralph M. Brown Act as defined under Cal. Gov. Code section 54952(b); and

WHEREAS, on September 16, 2021, Governor Newsom signed Assembly Bill 361 ("AB 361"), urgency legislation effective immediately, that amended Government Code section 54953 to permit legislative bodies subject to the Brown Act to continue to meet under modified teleconferencing rules provided that they comply with specific requirements set forth in the statute; and,

WHEREAS, pursuant to AB 361 and Cal. Gov. Code section 54953(e)(1)(A), a legislative body may meet under the modified teleconferencing rules during a proclaimed state of emergency, and where local officials have imposed or recommended measures to promote social distancing; and

**WHEREAS,** on March 4, 2020, Governor Newsom issued a Proclamation of State of Emergency in response to the COVID-19 pandemic, and which remains in effect; and

WHEREAS, on September 30, 2021, Santa Cruz County Public Health Officer Dr. Gail Newel strongly recommended that legislative bodies in Santa Cruz County continue to engage in physical/social distancing by meeting via teleconference as allowed by AB 361 and confirmed that she will regularly review and reconsider this recommendation and notify the public when it is no longer recommended; and

WHEREAS, pursuant to AB 361 and Cal. Gov. Code section 54953(e)(3), within 30 days of the date the legislative body first holding a teleconferenced meeting under the modified rules, and every 30 days thereafter, a legislative body can continue to hold such teleconference meetings provided it has reconsidered the circumstances of the state of emergency and determined either that the state of emergency continues to directly impact the ability of the members to meet safely in person or that local officials continue to recommend measures to promote social distancing; and

WHEREAS, on October 7, 2021, the LJPA held its initial teleconference meeting under AB 361; and

WHEREAS, on December 2, 2021, February 3, 2022, April 7, 2022 and May 5, 2022, the LJPA held subsequent teleconference meetings under AB 361; and

WHEREAS, the LJPA has once again reconsidered the circumstances of the current state of emergency and finds that the COVID-19 pandemic continues to directly impact the ability of members of the public to participate safely in person and further finds that the Santa Cruz County Public Health Officer continues to recommend measures to promote social distancing, strongly recommends that all individuals wear face coverings in indoor public settings, and requires that all individuals wear face coverings in specified high-risk indoor public settings; and

WHEREAS, in the interest of public health and safety, and due to the emergency caused by the spread of COVID-19, the LJPA deems it necessary for the legislative bodies of the LJPA to continue utilizing the modified teleconferencing rules set forth in AB 361;

**NOW, THEREFORE**, the **Santa Cruz Library Joint Powers Authority ("LJPA")** makes the following findings by a majority vote:

Section 1. The foregoing recitals are true and correct, and adopted as findings of the Santa Cruz Library Joint Power Authority and legislative bodies of the LJPA.

**Section 2**. Effective immediately, and for the next 30 days, the **LJPA** and its legislative bodies will meet via teleconference as authorized under AB 361 and Government Code section 54953(e)(3).

**Section 3.** No later than thirty (30) days from making today's findings, or at the next scheduled meeting, the **LIPA** will reconsider the circumstances of the COVID-19 state of emergency and, if necessary, adopt subsequent findings to continue holding teleconference meetings in accordance with Government Code section 54953(e)(3).

**PASSED AND ADOPTED** by the **Santa Cruz Library Joint Powers Authority** in Santa Cruz County, State of California, this 4<sup>th</sup>day of August, 2022, by the following vote:

RE: 4<sup>th</sup> Quarter Report Community Impact Measures

#### STAFF RECOMMENDATION

Accept and File Community Impact Measures for 4<sup>th</sup> Qtr. FY 2021-2022

#### DISCUSSION

This 4<sup>th</sup> quarter report covers the time period of October 1, 2021 through June 30, 2022 and compares this data to the previous year.

Programming statistics report updates:

- In FY22, we are now offering in-person programs at our open branches, virtual programs, and outreach programs for underserved communities outside our library walls. To better reflect the differences between these types of programs, we have created a new "Virtual Branch," split off from Outreach, beginning October 2021. With the changes in how we deliver programs over the past 2 years, the chart comparisons for Outreach between FY21 and FY22 will not directly correspond.
- Total circulation system-wide increased by 42%.
- Total visitors by branch system-wide: 606%.
- Total number of new registrations increased by 55%.

- Total hours of public internet computer use system-wide: N/A since the branches were only providing lobby service this time last year.
- Total hours of wireless internet sessions increased by 64%.
- Total sessions of public internet use: N/A since the branches were only providing lobby service this time last year.
- Total number of public wifi sessions increased by 26%.
- Total hours of meeting room use system-wide: N/A since the branches were only providing lobby service this time last year.
- The total number of programs held system-wide increased by 129%.
- The total number of program attendees held system-wide increased by 124%.

#### 1. Learning Accomplishments: Quarter 4 ADULT

"I am so thankful for the info you share with us. It is so helpful!!!"

- Patron testimonial from the fourth quarter.

In the fourth quarter, the Library held 289 programs for adults, with 1,434 patrons in attendance. The fourth quarter runs from April to the end of June. The following are some of the highlights for adult services from that period:

#### Life Literacies and Civic Engagement:

- Book to Action grant
  - Hosted a community event with Conor Dougherty, award-winning author of "Golden Gates: Fighting for Housing in America," and renowned local author Jonathan Franzen in a conversation about the complex social and economic factors driving housing--and homelessness--in America. The event was held simultaneously in person at the Downtown Library and online in Zoom with a total 143 participants. It was made possible by a partnership with the Homeless Garden Project.
  - Provided copies of "Golden Gates: Fighting for Housing in America" to the community free of charge (while supplies lasted), made possible by grant funding.
  - Created and distributed hygiene kits with items including soap, toothpaste, and period products to people experiencing homelessness, made possible by grant funding.
- Santa Cruz County Workforce Collaborative
  - Offered 72 sessions of individualized career development help.
  - Held a Job and Services Resource Fair attended by 75 people at London Nelson Community Center in partnership with the Homeless Garden Project. The fair brought together workforce development and wrap-around service providers to connect with people experiencing barriers to housing employment and offer a pathway forward. Service providers included the Community Action Board (CAB) SmartHIRE and Homeless Preventions Programs, Grey Bears, Cabrillo College, Goodwill Central Coast Career Center, Encompass, Santa Cruz County Veterans Services, Your Future is Our Business, and the National Farmworkers Program.
  - Held 4 workshops in English and Spanish on Resume and Interview Skills and Library Tools to Boost Your Job Search. Recordings of the workshops are now hosted on the Library's Youtube channel.
- Financial literacy and Life Skills
  - Partnered with Santa Cruz Community Credit Union (SCCCU) to provide free educational workshops on Elder Financial Abuse and Identity Theft. These workshops also facilitated new relationships between SCCCU, Adult Protective Services, and the Seniors Council to support each other's' work and amplify their outreach to vulnerable populations.

- Began hosting Homeless Garden Project (HGP) open office hours in the Life Literacies Center to introduce people experiencing homelessness to the job training, transitional employment and support services HGP provides.
- Partnered with Senior Network Services' Health Insurance Counseling and Advocacy Program (HICAP) to teach older adults how to compare Medicare plans and learn what's new in 2022.
- Community Building
  - Began hosting Santa Cruz County District Attorney's Office Neighborhood Courts conferences to support community-driven restorative justice alternatives that improve the quality of life in our community

#### Learning and Connection:

- Genealogy programming
  - Held a beginners' genealogy workshop taught by the Genealogical Society of Santa Cruz County to teach beginning researchers how to do their own research into their family's history.
  - Held 3 monthly lectures with the Genealogical Society via Zoom taught by international experts on the topics:
    - French Immigrants to California with an expert live from France
    - Research in the Azores with an expert live from the Azores. This was attended by over 100 people!
    - How to Create a Location Resource Guide for Reasonably Exhaustive Research with an expert live from Pennsylvania
- Diversity Center
  - Began a monthly Queer Gaming Group in partnership with the Diversity Center to create a safe space for LGBTQ+ community members to gather and benefit from the educational and community-building aspects of gaming
- Santa Cruz County Parks & Recreation
  - Partnered with Santa Cruz County Parks & Recreation to begin a weekly Bridge Club to support social connection and intellectual stimulation
- History and Culture
  - Hosted Santa Cruz Poet Laureate David Sullivan's signature project "Agents of Change" art exhibit and poetry writing workshop. Agents of Change is a collaboration between local visual artists and poets, a traditional art show enhanced by poets reacting to specific works of art.
  - Held 2 writers' workshops on how to write a book proposal and how to find an agent.
  - Hosted a talk by world history expert Dr. Robert Strayer on "Ukraine and Russia: Contextualizing a War," held simultaneously in person at the La Selva Beach Library and online via Zoom.

#### Outreach

- Returned to in-person services at County Correctional Facilities.
- Participated in the annual Santa Cruz Pride parade and festival.
- Participated in the annual Juneteenth festival.
- Participated in the annual Santa Cruz History Fair.
- Expanded Bookmobile Services.

#### Quarter 4 YOUTH

In the fourth quarter, the Library held 202 programs for youth 0-18, with 3,106 patrons in attendance. Staff interacted with many caregivers, in addition to the children. The STEAM and Craft programs continue to be popular, as do the chess clubs and storytimes. Although they don't accommodate large numbers, Homework Help and R.E.A.D. are very much appreciated by the students who participate.

I apologize for taking so long to email you. I am [the mother of 2 boys] Here's a little recap about [my son's] journey in the R.E.A.D program. He started in 2nd grade with Marjorie. He could barely read a few words the first day he met with her. You know the book No, David No? He started at that level, probably Kindergarten. She was patient and encouraged him at every appointment. [My son] was motivated to meet with Marjorie because of the Minecraft program that he could attend after meeting with her. I am very thankful Minecraft was available because he had a lot of resistance to R.E.A.D. It was quite painful for him because it was so challenging for him.

Fast forward to today, [my son] is reading so much better! Yesterday he sat in the library and read his book while his brother played chess at the library. I know that meeting weekly to get one on one time with reading has helped. Andrea has focused on areas that he needed improvement such as reading at a consistent pace and understanding what he just read/comprehension. He has developed a love for reading and I am so proud. I have recommended this program to a few friends and they plan to sign up next year. They would have signed up recently but had prior commitments.

As for [my younger son], I had him join the program because of the report card he received from his teacher. Andrea and I both agree that he is a strong reader and one on one time with her has been great for him too. She says he is doing great and while it has been harder to see huge improvements with him as compared to what I have seen with [my older son] I know he is improving. His teacher reports his reading comprehension is improving. I hope we can continue this program for years to come!

- Patron Feedback

#### Early Literacy/Kindergarten Readiness:

- Storytime resumed at Downtown in April, at Boulder Creek in May and at the Garfield Park Branch in June. Numbers are steadily increasing each week.
- Preschool storytimes continue to be well-attended and this quarter they have celebrated Asian American and Native Hawaiian/Pacific Islander Heritage Month, Pride Month, Juneteenth, and other observed holidays and celebrations during these fun and active storytimes.
- Staff continue to provide outreach services, such as Cuentitos- bilingual storytimes at Early Education Centers.
- 1,000 Books Before Kindergarten officially launched in April. Between April 1st and June 30th, 270 youth between 0 and 6 enrolled in the program.

#### Student Success

- Librarians at Felton conducted a class visit and tour for a homeschool group, including a book talk and digital resources presentation. The students made a thank you card telling staff how much they learned about the library and science and that they look forward to coming back to borrow more books.
- Staff recorded a teen resume workshop with Suenos from Watsonville. The video will be available on the SCPL youtube page.
- Summer Reading: We launched the Summer Reading Program on June 1. As of June 30, 1086 kids, 187 teens, and 463 adults registered for the program.
- STEAM @ Home kits continue to be very popular. During the quarter, 5 different kits were available and 1,015 total kits were distributed.

#### Teens:

- The Advisory Council of Teens (ACT, Mid/South County) have been very busy this quarter. They selected the teen incentive prizes for summer reading; selected and planned programs on financial aid, choosing your college major, and CHP teen driving workshops; and assisted with programs (Minecraft and teen art) and special events (the Aptos Friends Book Sale and Japanese Cultural Fair with origami instruction).
- The Advisory Council for Teens @ North County: ACT has been meeting in the San Lorenzo
   Valley now for about 9 months. This quarter they: provided feedback for the Felton Teen Room renovation, planned for an Art Contest for the Fall to provide art for the teen room

Room renovation, planned for an Art Contest for the Fall to provide art for the teen room and volunteered at SCPL events such as the Boulder Creek Opening and performed programs like Coding 101

 The Library partnered with the Diversity Center to pilot a new program for teens, Diverse Youth Meetup, in the Life Literacies Center at Downtown. The intent of this program is to provide transformative and equitable programs and services to youth (12-18) who identify as LQBTQ+ youth and their allies via collaborative engagement with community partners, volunteers, and library staff. Program topics include health, workforce development, financial literacy, virtual life skills, social skills and other life skills such as how to travel.

#### School Partnerships:

• Librarians tabled at the Gault Elementary Open House on April 28th and connected with over 100 kids and their families. Information about summer reading was distributed.

#### **Community Collaborations:**

- Santa Cruz Public Librarians were contributing members of the Santa Cruz County Office of Education LGBTQ+ Book Selection Task Force
- Early literacy storytime presenters introduced Samantha Basch of the UCSC Infant and Child Development Lab to storytime attendees, who invited parents to participate in their research studying children's learning in the first years of life.
- Staff attended the Youth Action Network events, and attended the pop-ups in Santa Cruz, Scotts Valley, and Live Oak. The events attracted a consistent 50 to 80 people at each tabling event.
- Librarians tabled at the Juneteenth event held at London Nelson. They coordinated and led a craft and answered questions from the public regarding hours, programs, and services.

- Santa Cruz County Public Health Community Health Education- Family walking groups visited Capitola on two different Saturdays to learn about library programs and services, sign up for library cards, decorate bookmarks, and obtain Shelf to Shore passes. The majority of the participants were Spanish speaking.
- Día de los Niños- Essy and Lorena coordinated a systemwide event for Día de los Niños on Saturday, April 30 and Sunday, May 1. At all open branches, there was a Seek and Find activity for participants to find popular children's book characters and mark them off their bingo card. Then, they received a prize pack consisting of a new book, a Día de los Niños sticker, and a coupon for a free concha from El Rosal Bakery.
- Kids Day: Library staff tabled at this downtown event, attended by 260 children. Staff passed out SRP bookmarks and seed packets with a bee identification guide.
- Earth Day Wildflower Giveaway Grab and Go: Kits were distributed at all the branches and at Kids Day downtown.

# 2. Digital Inclusion Accomplishments: Quarter 4

- Provided individualized tech help sessions and offered 31 appointments at Downtown, 40 appointments at Felton, 39 appointments at Capitola, and 21 appointments at La Selva Beach
- Held 9 Tech Talks digital literacy classes on the following topics: Internet Search Strategies, Mobile Device Security, Digital Legacy Planning, Password Management, Data Privacy, Travel and Maps Apps, Unlimited Learning through Apps Post-workshop surveys asked participants whether the workshop helped them use their devices more efficiently and effectively and whether they intended to apply what they learned. On a scale of 1-4 participants averaged 3.8 for the first question and 3.7 for the second question
- Began offering hybrid in-person and virtual Zoom-based programming.

## 3. Transformative Spaces Accomplishments:

#### Quarter 4

The Library celebrated the reopening of its Boulder Creek Library Branch on May 7<sup>th</sup> and Garfield Park Branch on June 11<sup>th</sup>.

#### 4. User Experience Accomplishments: Quarter 4

### **Collections and Services:**

- Lendable Tech: purchased 60 additional hotspots and added them to the collection.
- Parks passes: In addition to the existing 10 California State Parks passes that circulate in the Get Out & Explore packs, SCPL added 44 day use parks passes to the collection. These parks passes were provided by the First Partner's Office and the California State Library. They provide free vehicle day-use entry to over 200 participating state park units.
- Prepared opening day collections for Boulder Creek and Garfield Park.

#### 5. Organizational Capacity: Quarter 4 Staffing:

# • The Library promoted Sarah Jones as its new Library Specialist to support training throughout the organization.

## Friends:

• In partnership with the Felton Friends Chapter, staff have developed partnerships through its Community Led Learning Program with the SLV Museum, The Santa Cruz Museum of Natural History and local artist, Stacy Monowitz.

### Training:

• Youth Librarians took part in the "Reimagining School Readiness" workshop presented by the Bay Area Discovery Museum, California State Library and Pacific Library Partnership. ChairMali LaGoeVice ChairCarlos PalaciosBoard MemberJamie GoldsteinBoard MemberMatt Huffaker

# STAFF REPORT

DATE: August 4, 2022

TO: Library Joint Powers Authority Board

FROM: Yolande Wilburn, Library Director

RE: Annual Sole Source Vendor Purchasing Approvals

#### RECOMMENDATION

Approve Sole Source Vendor list for purchases made which exceed \$100,000 annually.

#### DISCUSSION

The City of Santa Cruz, Finance Department, has a policy that purchases made over \$100,000 need to be approved by the governing body. The limit is set at \$100,000 for one-time purchases and/or cumulative purchases throughout the fiscal year.

The following is a list of vendors who are considered a sole source vendor for the products they provide to the library system.

#### Baker & Taylor

Baker and Taylor provides high quality MARC catalog records which are superior to any other vendor.

#### Midwest Tape

Midwest Tape provides content that is not available from other vendors due to exclusive rights with production studios and specific publishing houses. Midwest Tape also provides Hoopla. Hoopla provides digital content (audiobooks, ebooks, music, movies, television, and graphic novels) in a model that allow simultaneous use for patrons (no waiting lists).

#### Gov Connection

GovConnection provides the Library with customized local government technology solutions. With GovConnection, we purchase technology solutions under the NASPO-WASC contract, ensuring the lowest possible prices. Purchasing with GovConnection also streamlines purchasing and reporting, in addition to cost-savings via government contracts.

#### <u>Califa Group</u>

The Library is a member of the Califa Group. The Califa Group is a nonprofit library membership consortium of more than 220 libraries and is the largest library network in California. Califa brokers and facilitates the procurement of library products, and manages master contracts and pricing agreements with publishers and vendors. Their mission is to provide cost effective delivery of services, program, and products through a membership network of California libraries.

#### <u>Overdrive</u>

Overdrive has an extensive catalog of new and high interest digital audiobooks and ebooks. The majority of the ebooks are available in Kindle format which makes this vendor unique and valuable.

- FROM: Yolande Wilburn, Library Director
- RE: Grand Jury Response How a Community Center Became a Library: The Transformational Power of Measure S Funds

#### RECOMMENDATION

Approve the Santa Cruz Public Libraries Joint Powers Authority response to the findings and recommendations in the 2021-2022 Grand Jury report, "How a Community Center Became a Library: The Transformational Power of Measure S Funds," and request the Chairperson to forward the responses to the Presiding Judge with a copy to the Grand Jury.

#### BACKGROUND

Attached for the Board's approval is the proposed LJPA response to the findings and recommendations contained in the 2021-2022 Santa Cruz County Civil Grand Jury report titled, "How a Community Center became a Library: The Transformational Power of Measure S Funds."

The Grand Jury is an independent body under the jurisdiction of the Superior Court of California, County of Santa Cruz, with primary responsibilities to perform an oversight function for local governments, initiate investigations, serve as ombudsman for citizens, and publish investigative findings and recommendations to improve governmental operations. According to Sections 25253 and 27100 of the Government Code, all County funds and Special District funds under the Board of Supervisors are subject to annual audit by the Grand Jury. On June 22, 2022, the Grand Jury released the attached report titled, "How a Community Center Became a Library: The Transformational Power of Measure S Funds."

The Grand Jury has required responses from the Santa Cruz County Board of Supervisors and the Santa Cruz Public Libraries Joint Powers Authority. The Grand Jury requested that the Board respond no later than September 20, 2022.

## FINDINGS

F1. The plain language of Measure S required use of Measure S funds for the modernization, upgrade, and repair of the existing local library branches—not community centers.

**Response explanation** (required for a response other than **Agree**):

As described in Exhibit A of Resolution No. 2016-001 for the Santa Cruz Libraries Facilities Financing Authority (LFFA) Community Facilities District (CFD) No. 2016-1, the types of public facilities to be financed included but weren't limited to library facilities in Aptos, Boulder Creek, Branciforte, Capitola, Downtown Santa Cruz, Felton, Garfield Park, La Selva Beach, Live Oak and Scotts Valley, but excluded library facilities in the City of Watsonville. Pursuant to Exhibit A, Measure S allowed for existing or new library facilities in these locations and supported various improvements and needs. This included any of the following: new construction, building renovations and service model upgrades needed to provide service desks, an area for displaying materials, separate areas for teens and children, flexible spaces and/or meeting rooms and study rooms, places to display art, new flooring, paint, shelving, furniture and technology, power/data to support library technology, and other upgrades. This is consistent with Measure S, which explicitly stated that the funds are to be used, among other things, to "construct/expand facilities where necessary."

F2. The Santa Cruz Public Libraries website states that Measure S funds would be used to address the "most urgent needs" identified in the Facilities Master Plan, which stated no new library branches were needed and focused only on the needs of the existing ten library branches—likely misleading voters.

### \_X\_ DISAGREE

Response explanation (required for a response other than Agree):

The Santa Cruz Public Libraries (SCPL) website provides general information on the facilities master planning process conducted in 2013. This eventually led to the development of the LFFA and related CFD No. 2016-1, which placed Measure S on the ballot in 2016. The Facilities Master Plan (FMP) was conducted prior to Measure S and covered needs at the time. The FMP was not part of the Measure S ballot measure language and voter materials. However, as stated on pages 3 and 4, the FMP identified the need to upgrade, renovate or replace the Downtown Branch Library. The FMP also identified the need to create program space for the Live Oak Branch Library. Since program space could not be accommodated at the Live Oak Branch Library, it was done at the Live Oak Library Annex. The new facility is explicitly authorized under the plain language of Measure S.

- F3. Voter materials disclosed how Measure S funds would be divided among the Santa Cruz Public Libraries' Member Agencies, but did not disclose the allocation of \$5 million to a Live Oak Library Annex within the Live Oak Community Center—likely misleading voters.

- \_\_\_ PARTIALLY DISAGREE

### \_X\_ DISAGREE

Response explanation (required for a response other than Agree):

Measure S funds are not limited to existing branches, and the division of Measure S funds was identified in the LFFA's Joint Powers Agreement (JPA). This information was not required as part of voter materials. Member agencies were given an allocation of funds in the JPA, and their governing bodies could determine how those funds were spent. The JPA provided member agencies the flexibility to determine how their allocations would be used on existing or new facilities in their jurisdictions.

- F5. The Annex is an expansion of the Live Oak Community Center and not an expansion of the Live Oak Branch Library.
  - AGREE
  - \_\_\_ PARTIALLY DISAGREE
- \_X\_ DISAGREE

Response explanation (required for a response other than Agree):

As identified in the FMP and stated previously, there wasn't adequate program space at the Live Oak Branch Library, and the Live Oak Library Annex (Annex) provides that space. The Annex is an expansion of library facilities in the Live Oak community. It establishes a learning center with meeting/study room space that complements the existing Live Oak Branch Library and provides additional opportunities for library-related activities and services that the existing Live Oak Branch Library could not accommodate. SCPL can provide digital literacy classes, job training, coding, and other programs for youth and adults that are not possible in the existing Live Oak Branch Library due to size and noise constraints.

- F6. The County's decision to use Measure S funds for the Live Oak Library Annex in the Live Oak Community Center will impact the Santa Cruz Public Libraries operating budget.
- \_\_\_ AGREE
  - PARTIALLY DISAGREE

### X\_ DISAGREE

Response explanation (required for a response other than Agree):

Establishing the Annex with Measure S funds will not adversely impact SCPL's operating budget. As part of future budgets, the Library Joint Powers Authority Board will consider offering programs and services at the Annex that would have been provided at the Live Oak Branch Library if there were space to accommodate them. SCPL is also exploring establishing a small free library of materials and resources at the Annex that will also not have an adverse impact on the operating budget. Library patrons will be able to use the Annex for program and meeting or study space.

## RECOMMENDATIONS

- R1. By December 31, 2022, the Santa Cruz County Board of Supervisors should reassess its decision to use Measure S funds to improve the Live Oak Community Center and either reimburse the Library Facilities Financing Authority or commit additional funds to establish the Annex as a library resource consistent with other SCPL branches. (F1, F4, F5, F6)
- **HAS BEEN IMPLEMENTED –** summarize what has been done

HAS NOT YET BEEN IMPLEMENTED BUT WILL BE IN THE FUTURE – summarize what will be done and the timeframe

**REQUIRES FURTHER ANALYSIS** – explain the scope and timeframe (not to exceed six months)

**\_X\_** WILL NOT BE IMPLEMENTED – explain why

#### Required response explanation, summary, and timeframe:

The use of Measure S funds on the Annex is appropriate. It is not necessary to reimburse the LFFA or commit additional funds to establish the Annex. In addition, as previously stated, no adverse impact on SCPL's operating budget is anticipated. The Measure S ballot language as well as Exhibit A of the ballot measure specifically allow for the expansion and construction of library facilities, including Live Oak, in order to provide flexible spaces, such as meeting and study rooms, and expand access to library technology.

- R2. In the case of any future ballot measures, the Santa Cruz Public Libraries should inform voters of prior commitments of ballot funds, such as the County Board of Supervisors' commitment of Measure S funds to Live Oak. (F2, F3, F5)
- HAS BEEN IMPLEMENTED summarize what has been done
   HAS NOT YET BEEN IMPLEMENTED BUT WILL BE IN THE FUTURE summarize what will be done and the timeframe
   REQUIRES FURTHER ANALYSIS explain the scope and timeframe
  - (not to exceed six months)

### **\_X\_** WILL NOT BE IMPLEMENTED – explain why

#### Required response explanation, summary, and timeframe:

First, Government Code Section 50075.1 sets forth requirements for identifying "specific purposes" for any local special tax measure that is subject to voter approval. Section 50075.1, subdivision (a) requires that the ballot measure include "[a] statement indicating the specific purpose of the special tax[,]" while subdivision (b) requires "that the proceeds be applied only to the specific purposes identified pursuant to subdivision (a)."

The Measure S ballot language met this requirement because it did inform voters that monies generated through the measure would go to Live Oak, including to "support growing use by children, senior, veterans, and others; expand access to modern technology, and construct/expand facilities where necessary."

Secondly, the law does not require a public agency to identify how each dollar generated by a specific tax measure will be spent. In fact, courts have consistently held that "the rule is that public bodies may submit bond propositions in broad and general terms." (Monette-Shaw v. San Francisco Bd. of Supervisors (2006) 139 Cal.App.4th 1210, 1221 [finding that a measure for "the acquisition, improvement, construction and/or reconstruction" of a specific hospital did not limit the County to building a new hospital at a different location].) Under the plain language of the ballot measure and the related resolutions, it is reasonable to expect the voters had no interest in micromanaging the SCPL or exactly which projects should be undertaken.

As previously noted, the ballot materials also described how the funds would be distributed to specific member agencies. Details on how each member agency planned to specifically use Measure S funds is neither required by law nor practical. While this report focuses on Live Oak, note that the ballot language did not include how funds would be spent in other County areas (Felton, Aptos, Boulder Creek, etc.), nor was it required to do so.

- R3. In the case of any future ballot measures, the Santa Cruz Public Libraries should inform voters of the impact of facility expansion on its future operating budgets. (F6)
  - **HAS BEEN IMPLEMENTED –** summarize what has been done
- HAS NOT YET BEEN IMPLEMENTED BUT WILL BE IN THE FUTURE summarize what will be done and the timeframe
- REQUIRES FURTHER ANALYSIS explain the scope and timeframe (not to exceed six months)

#### **X** WILL NOT BE IMPLEMENTED – explain why

#### Required response explanation, summary, and timeframe:

As noted above, State law does not require ballot measures issued for a specific purpose (i.e., construction, repairs, expansion of library facilities) to include projected impacts on various budgets in the future. It is also reasonable that voters would be aware that the construction of new facilities may require additional costs to staff and maintain those facilitates. Accordingly, the purpose of Measure S was to finance construction, repairs, and expansion of library facilities.

It is unclear how the construction of the Annex impacts SCPL's operating budget any more than other infrastructure upgrades or expansions to other library facilities would. For example, the Grand Jury Report points to SCPL's responsibility for "replacing lost or damaged equipment in the Annex" as evidence that Annex will have an outsized impact on the SCPL operating budget. This concern is misplaced as it relates to the Annex and could be applied to any library improvements funded through Measure S. Funds spent to upgrade any equipment or facilities, as well as the costs to replace or repair them, are a natural and necessary portion of any library budget, regardless of location. RE: New MOE Agreement and Sales Tax Estimates

#### RECOMMENDATION

Approve additional MOE revenues, adjusted sales tax projections, and expenditure additions to the FY 23 Library Operating Budget.

#### DISCUSSION

The Library Financing Authority recently announced the revised sales tax revenue estimates for FY 23 and approved a new MOE Agreement, both of which have a positive impact on the library's operating budget.

Given these additional revenues in conjunction with the Library's FY 23 work plan goals, the following proposal are adjustments the Library would like to make to the FY 23 Operating Budget.

#### Revenue

With the adoption of the new LFA MOE 4th Agreement, SCPL will see a \$1.16M increase to the library's FY 23 budget.

Additionally, the LFA updated its sales tax estimates for FY 23 and SCPL will see an increase of \$208K.

#### **Expenditures**

Janitorial Services \$72,000 The Library is included in the City of Santa Cruz's city-wide contract for janitorial services. The contract pricing and approval happened during the budget process. The Library will need to increase its janitorial services budget line to accommodate for this new pricing.

Additionally, the Library would like to reinstitute the mid-day bathroom cleaning at the Downtown Library. Previously, before the 2020 pandemic, the Library had this service as part of the library operating budget. This service allows the bathrooms at the Downtown Branch to be cleaned mid-day to help keep the restrooms clean and safe for both staff and patrons

Collections (8%) \$109,652

The increase in revenue from the new sales tax projections and MOE monies will trigger an increase in the collections budget. SCPL has committed to funding the collections budget at 8% of total revenues (excluding grants, donations and debt).

#### 2021-22 3rd QUARTER LIBRARY SALES TAX REVENUE UPDATE

Dear Members of the Board of Directors:

The purpose of this letter is to provide an update on the Library Sales Tax actual receipts for the 3<sup>rd</sup> quarter of Fiscal Year (FY) 2021-22.

Library Sales Tax actual receipts for the 3<sup>rd</sup> quarter totaled \$3,455,708, or \$412,601 (13.6%) more than the 3<sup>rd</sup> quarter estimate in the 2021-22 adopted budget. Based on year-to-date actuals, receipts will total \$13,607,914, or \$1,191,912 (9.6%) more than the 2021-22 adopted budget, and \$340,708 (2.6%) more than the January estimate. This is also a \$1,828,026 (15.5%) increase from 2020-21 actual receipts, as shown in the attached history.

In FY 2021-22, the amount available to the two library systems is estimated at \$13,591,890 after administrative costs. This provides distributions of approximately \$3,096,232 to the Watsonville Library and \$10,495,658 to the Santa Cruz City/County Library System.

This office will provide an update in June as part of the next regular meeting of the Library Financing Authority. If you have any questions, please call me at 454-2100.

#### FOURTH AMENDMENT TO THE JOINT EXERCISE OF POWERS AGREEMENT ESTABLISHING THE SANTA CRUZ COUNTY LIBRARY FINANCING AUTHORITY

**WHEREAS**, the Santa Cruz County Library Financing Authority ("the Financing Authority") was created in 1996 for the purpose of financing library services and facilities; and

**WHEREAS**, the Financing Authority was established pursuant to the Joint Exercise of Powers Law of the State of California, constituting Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California ("the Act"); and

WHEREAS, an original agreement entitled the "Joint Exercise of Powers Agreement Santa Cruz County Library Financing Authority" ("the Agreement") was entered into by each of the parties in May 1996; and

WHEREAS, an agreement amending the original Agreement was entered into by each of the parties in November 2013; and

**WHEREAS**, a Second Amendment to the Agreement was entered into by each of the parties in December 2015; and

WHEREAS, a Third Amendment to the Agreement was entered into by each of the parties in June 2021; and

**WHEREAS**, a Fourth Amendment to the Agreement is necessary to increase the Maintenance of Effort contributions and extend the term three years; and

**WHEREAS**, said Section 9.5 of said Second Amendment authorizes amendments at any time, or from time to time, only by the unanimous consent of the parties.

NOW THEREFORE, the Board of Supervisors of the County of Santa Cruz, and the City Councils for the Cities of Santa Cruz, Watsonville, Scotts Valley and Capitola agree to further amend the Third Amendment as follows:

1. Article III - Contributions is hereby amended as follows:

<u>Section 3.1 – Maintenance of Effort Contributions of the Cities</u>. Commencing with the 2022-23 fiscal year, the City of Santa Cruz shall contribute a Maintenance of Effort ("MOE") amount each year in the amounts shown below:

#### City of Santa Cruz Maintenance of Effort

Fiscal Year	Amount
2022-23	\$1,976,853
2023-24	\$2,214,546
2024-25	\$2,452,089

Commencing with the 2022-23 fiscal year, the City of Watsonville shall contribute a MOE amount each year in the amounts shown below:

#### **City of Watsonville Maintenance of Effort**

Fiscal Year	Amount
2022-23	\$541,684
2023-24	\$541,684
2024-25	\$541,684

<u>Section 3.2 – Maintenance of Effort Contributions of the County</u>. Commencing with the 2022-23 fiscal year, and subject to the terms below, the County of Santa Cruz, on behalf of the Unincorporated Area and the cities of Capitola and Scotts Valley, shall contribute a MOE amount from the County Library Fund each year in the amounts shown below:

#### **County Library Fund Maintenance of Effort**

Fiscal Year	Amount
2022-23	\$6,322,019
2023-24	\$6,870,918
2024-25	\$7,422,372

If the Annual Net Amount of Allocated Taxes received by the County Library Fund is less than the annual MOE amount shown above, the County shall contribute the lesser amount as its annual MOE contribution. In no instance shall the County's annual MOE contribution exceed the Annual Net Amount of Allocated Taxes received by the County Library Fund.

If the Annual Net Amount of Allocated Taxes received by the County Library Fund exceeds the annual MOE amount shown above, the County shall allocate any excess funds in the County Library Fund for exclusive use on library improvements, major maintenance, or services at County Library Fund branches (including Capitola and Scotts Valley branches) with input by library staff and the cities of Capitola and Scotts Valley.

#### 2. Article IV - Annual Budget/Disbursement of Funds is hereby amended as follows:

<u>Section 4.3 – Disbursement of Funds</u>. Commencing with the 2023-23 fiscal year, the amounts available from MOE contributions, taxes or fees, and carryover balances or surplus funds shall be disbursed as follows:

(A) The estimated amount available from MOE contributions shall be distributed to the Santa Cruz City/County Library System and the Watsonville Library each year in the amounts shown below:

#### Santa Cruz City/ County Library System

Fiscal Year	Amount
2022-23	\$7,276,853
2023-24	\$8,114,546
2024-25	\$8,952,089

#### Watsonville Library

Fiscal Year	Amount
2022-23	\$1,563,703
2023-24	\$1,512,602
2024-25	\$1,464,056

The Watsonville Library's MOE distribution remains fixed at \$1,563,703 in the 2022-23 fiscal year and then reduces so that the Watsonville Library's share of the Annual Net Amount of Allocated Taxes received by the County Library Fund reaches the targeted level of funding based on the population served.

3. Article VI - Term and Withdrawal is hereby amended as follows:

<u>Section 6.1 – Term</u>. The changes outlined in this Fourth Amendment shall commence upon the execution by the parties hereto, and will continue to remain in effect through June 30, 2025.

All other provisions of said Agreement shall remain the same.

IN WITNESS WHEREOF, the parties hereto have caused this Fourth Amendment to be executed and attested by their proper officers thereunto duly authorized on the day and year stated below the name of each of the parties. This Fourth Amendment may be signed in counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement.

Approve Closure for All Staff Training Day on Thursday, October 13, 2022.

#### DISCUSSION

In September 2013, the Library Joint Powers Authority approved an annual and recurring staff training day requiring all branches to close on Columbus Day.

In 2021, All Staff Training Day was moved to a Thursday to accommodate the work schedules of Sunday through Thursday or Tuesday through Saturday. The Library Holiday Closure Policy Schedule erroneously listed the closure as Columbus Day, Monday, October 10, 2022.

Therefore, we recommend adjusting the date to remain open on Columbus Day and close on Thursday, October 13, 2022.

Policy #307 Freedom to View Policy #308 Freedom to Read Policy #311 Library Bill of Rights

#### DISCUSSION

The Library System is governed by policies in order to maintain standards to ensure a safe and healthy environment for staff and patrons.

The Library would like the LJPA to accept and file the attached three (3) policies that were endorsed for renewal by the Library Advisory Commission. The three policies are derived from the American Library Association Freedom to View, Freedom to Read and Library Bill of Rights.

The Freedom to View Statement

JPAB Policy # 307 Approved: 7/1997 Last Revised: 8/2022 Five-year Review Schedule: 8/2027

The freedom to view, along with the freedom to speak, to hear, and to read is protected by the First Amendment to the Constitution of the United States. In a free society, there is no place for censorship of any medium of expression. Therefore, we affirm these principles:

- 1. It is in the public interest to provide the broadest possible access to films and other audiovisual materials because they have proven to be among the most effective means for the communication of ideas. Liberty of circulation is essential to insure the constitutional guarantee of freedom of expression.
- 2. It is in the public interest to provide for audiences films and other audiovisual materials which represent a diversity of views and expression. Selection of a work does not constitute or imply agreement with or approval of the content.
- 3. It is our professional responsibility to resist the constraint of labeling or prejudging a film on the basis of the moral, religious or political beliefs of the producer or filmmaker, or on the basis of controversial content.
- 4. It is our professional responsibility to contest vigorously, by all lawful means, every encroachment upon the public's freedom to view.

Adopted by the Education Film Library Association in February, 1979, and endorsed in June, 1979 by the Intellectual Freedom Committee of the American Library Association.

Adopted by the Santa Cruz City/County Library System [citizen] Board in December 1987, and by the Library Oversight Committee at its first meeting on November 3, 1988.

Confirmed by the Library Joint Powers Authority Board in July 1997.

**FREEDOM TO READ** 

JPAB Policy #308 Adopted: 6/1953 Revised: 8/2022 Five-year Review Schedule: 8/2027

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be

"protected" against what others think may be bad for them. We believe they still favor free enterprise inideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary

curtailment of expression by those who seek to avoid controversy. or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions, and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy,

diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections. We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety ofinquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, un popular, or considered dangerous by the majority.

Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believebut why we believe it.

2. Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.

Publisher s and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any singlelibrarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. It is contrary to the public interest for publishers or librarians to bar access to writings on thebasis of the personal history or political affiliations of the author.

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

4. There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut offliterature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters' values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

# 5. It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.

Theidealoflabelingpresupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.

It is inevitable in the give and take of the democratic process that the political, the moral, or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society individual are free to determine for themselves what they wish to read, and each group is free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive.

Further, democratic societies are more safe, free, and creative when the free flow of public information is not restricted by governmental prerogative or self-censorship.

7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one, the answer to a "bad" idea is a good one.

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said.

Books are the major channel by which the intellectual inheritance is handed down, and the principal means of its testing and growth. The defense of the freedom to read requires of all publishers and librarians the utmost of their faculties, and deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the

application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply import ant; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society.

Freedom itself is a dangerous way of life, but it is ours.

This statement was originally issued in May of 1953 by the Westchester Conference of the American Library Association and the American Book Publishers Council, which in 1970 consolidated with the American Educational Publishers Institute to become the Association of American Publishers.

Adopted June 25, 1953, by the ALA Council and the AAP Freedom to Read Committee; amended January 28, 1972; January 16, 1991; July 12, 2000; June 30, 2004.

#### The Library Bill of Rights

JPAB Policy # 311 Approved: 7/1997 Last Revised: 8/2022 Five-year Review Schedule: 8/2027

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services:

- 1. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- 2. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- 3. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- 4. Libraries should cooperate with all persons and groups concerned with resisting abridgement of free expression and free access to ideas.
- 5. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
- 6. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.
- 7. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

First adopted by the American Library Association in 1949, with subsequent amendments approved and incorporated over the years.

Adopted by the Santa Cruz City/County Library System [citizen] Board; adopted at the first meeting of the Library Oversight Committee on November 3, 1988; confirmed by the Library Joint Point Powers Authority Board, July 1997. Chair Mali LaGoe Vice Chair Board Member Board Member

RE: **Classification Changes** 

#### RECOMMENDATION

Approve classification changes and the expenditure to the FY 23 Library Operating Budget.

#### DISCUSSION

The Library continues to finalize its strategic plan and 5-year work plan goals. However, in anticipation of the final proposal, the Library would like to move forward with the following classification changes, resulting in increased expenditure in the FY 23 operating budget.

- 1. Remove Library Specialist/Volunteer Coordinator
- 2. Add Community Relations Specialist
- 3. Remove Library Information Specialist/CMS
- 4. Add Librarian II/CMS

The Library Director spent the last six months conducting listening sessions with staff. The listening sessions revealed the Library would immediately benefit from a few staffing changes. Attrition in the Library Specialist and Information Specialist classifications created the vacancies used to offset the expenditures.

In addition to managing volunteers, the Library Specialist-Volunteer Coordinator helped plan and organize library events and outreach utilizing volunteers. Analysis in the marketing department revealed that the Librarian currently providing marketing is overextended with marketing and outreach duties while also conducting adult programs and services. To deepen relationships with our partners and improve communication, collaboration, and outreach, we request removing the Library Specialist-Volunteer Coordinator position and adding a Community Relations Specialist. The Librarian can then focus on programming and outreach. At the same time, the Community Relations Specialist will provide the marketing experience and capacity the Library needs to communicate its mission, vision, and message.

The Community Relations Specialist develops public and internal communication strategies and coordinates and implements informational, educational, and outreach communication and events. They provide development and maintenance of the department's website and social media pages, including updating and expanding the content and appearance of the site. They facilitate developing and implementing community engagement to identify community needs and interests and manage library media relations, including writing news releases, articles, social media, and blog posts. They serve as the media contact for the Library, ensuring that communication efforts are coordinated with the cities and County.

The Santa Cruz Public Libraries develops and maintains a robust collection of materials to support the educational and informational needs of the community. The importance of having professional Librarians perform collection selection and deselection across genres, formats, and languages is an essential component of Library operations. Collection Development takes professional judgment, skill, and knowledge gained through a master's degree in library science. The necessary skills can be attained through other education and experience, though this is not typical. Therefore, we recommend converting the vacant Library Information Specialist position to a Librarian II position to ensure the highest levels of material selection for our patrons.

#### **Financial Impact**

#### Classification Change Financial Impact:

\$85,694

The Library will fund the classification changes by utilizing the removal of one Library Specialist/Volunteer Coordinator, and one Library Information Specialist vacancy and the new MOE funds the Library receives from the recent LFA 4th Amendment Agreement adoption. The chart below outlines the impact on the general fund.

# STAFF REPORT

DATE: August 4, 2022

TO: Library Joint Powers Authority Board

FROM: Yolande Wilburn, Library Director

RE: Presentation and Staffing Proposal

#### RECOMMENDATION

Approve the addition of 8.5 FTE Library Assistant II positions, and the reduction of the temporary budget for FY 23.

#### DISCUSSION

Over the past several months, the Library conducted various listening sessions with staff. A result of these listening sessions was the confirmation that the Library relies too heavily on temporary staff to keep branches open. This reliance on temporary staff hinders library operations and leads to reduced levels of service, programming, and outreach to the community. It also puts a strain on the behind-the-scenes operations, including pulling professional staff away from librarian duties to help with customer service coverage and the support it takes to schedule temporary staff each day based on changes in daily staffing needs.

The Library would like to take a phased approach to changes in the staffing model by first addressing the branch staff who provide services while the branch is open, described as Phase 1.

Phase 1 seeks to provide adequate staffing levels to create smooth and less stressful operations. It will also ensure staff is trained and professional when providing services to the public, something the Library experienced gaps with when using temporary employees. This approach to staffing will also help the library recruit, train, and retain benefitted permanent staff by lessening job fatigue and staff having to fill multiple positions. Phase 1 will ensure excellent customer service while also meeting strategic goals by helping to dedicate Librarian staff to meeting program, outreach, and service needs.

Phase 2 will examine the impact of these changes on frontline library service and the ability to improve programming and outreach to the community. This report is currently being developed for presentation to the Board at the February meeting.

#### FINANCIAL IMPACTS

Phase 1 of the staffing model plans to hire 8.5 FTE Library Assistant II positions throughout the system. The Library intends to fund Phase 1 of the staffing model changes with a portion of the temporary budget and the new MOE funds the Library receives after the recent adoption of the LFA 4th Amendment Agreement.

The table below breaks down the use of the temporary budget by reallocating Library Aide hours for each branch and keeping a small budget for on-call Library Assistant II help when needed on a limited basis. In the fiscal year 2022, the Library utilized 427 aide hours. The new model accounts for an additional 5 percent of hours as branches reopen.

	Proposed Aide Hours	Annual	Current Aide Hours	
FY 23 Temp Personnel Budget Proposal	(Weekly)	Salary	(Weekly)	% Change

On-Call LA II		\$ 90,000		
Total Temporary Personnel Budget		\$ 451,261		

The staffing costs associated with Phase 1, adding additional FTEs throughout the system, are shown in the table below.
