

LIBRARY JOINT POWERS AUTHORITY BOARD

Monday July 1, 2013 Downtown Branch Meeting Room 224 Church St, Santa Cruz, CA 95060

6:15 PM Closed Session- Labor Negotiations (Government Code §69967.6)

Teresa Landers, Library Director Tina Shull, Assistant City Manager

6:30 PM PUBLIC MEETING

- 1. ROLL CALL
- 2. APPROVE AGENDA OF JULY 1, 2013
- 3. ORAL COMMUNICATIONS
- 4. PRESENTATION: Volunteer Program: Denise Fritsch
- 5. STAFF RECOGNITION
- MEMBER REPORTS
- 7. CONSENT AGENDA
 - A. Approve Minutes of June 3, 2013
 - B. Resolution to approve appropriation of funds from the Richardson Trust
 - C. Resolution to approve appropriation of funds from the Finkelday Trust
 - D. Resolution to approve appropriation of funds from the McCaskill Trust for local history materials.
 - E. Resolution to approve appropriation of funds from the McCaskill Trust for materials for the visually impaired

- F. Library Information Technology Manager Job Description (PG.16-20)
- G. Holiday Closure Schedule (PG.21)

8. FRIENDS OF THE SANTA CRUZ PUBLIC LIBRARIES REPORT

9. STAFF REPORTS

INFORMATION ITEMS

- A. Monthly Narrative Report: June 2013 (PG.22-29)
- B. Statistical Reports (PG.30-35)
- C. May Financial Snapshot (to be handed out at the meeting)
- D. SCPL Comparators and Materials Expenditures (PG.36-39)

10. OTHER BUSINESS

- A. Hiring financial and polling consultants to explore Facilities Master Plan implementation options (Action Item) (PG.40)
- B. Report out from Closed Session

11. WRITTEN COMMUNICATIONS

- A. Patron Written Comments (PG.41-44)
- B. Security Incidents Log (PG.45)
- C. Website Hits (PG.46)
- D. Articles about Santa Cruz and California Libraries (PG.47-49)
- E. Articles on Libraries Nationwide (PG.50)
- F. Library Financing Authority June meeting materials (PG.51-59)

12. BOARD MEETING CALENDAR

- A. The Board will consider its current meeting schedule and may revise it as necessary.
- B. Cancel August 2013 meeting

13. NEXT MEETING

The next regularly scheduled meeting is Monday, September 9, 2013 at 6:30 pm at the Downtown Branch Library.

14. ADJOURN

The Library Joint Powers Authority Board will adjourn from the Regular Meeting of July 1, 2013 to the Regular Meeting of September 9, 2013 at 6:30pm at the Aptos Branch Library Meeting Room.

The Santa Cruz City-County Library System does not discriminate against persons with disabilities. Out of consideration for people with chemical sensitivities, we ask that you attend fragrance free. Upon request, the agenda can be provided in a format to accommodate special

JPB AGENDA July 1, 2013

an interpreter for American Sign Language, Spanish, or other special equipment, please call the Library Administration Office at 427-7706 at least five days in advance so that we can arrange for such special assistance, or email subfinders@santacruzpl.org.

FSCPL

RE:

Staff Recognition Monthly Report

SUMMARY

The Library has instituted a way to recognize staff formally and on an on-going basis. The committee will be recognizing these individuals monthly in a report to the LJPB.

Mission

Staff are our most valuable resource and as such, are deserving of ongoing recognition to feel connected and to keep morale high. The Staff Recognition Committee is charged with developing ways to accomplish this purpose.

NOMINATIONS

Eric Chalfant and David Banta

I would like to acknowledge our two bookmobile drivers, Eric and David. They both do such a wonderful job reaching out to members of our community both young and old who might not ever get to use the library. I know they are valued and appreciated for their excellent service (Nominated by P. Turpenen).

Jeanne O'Grady

Jeanne received a thank you book from one of the 1st grade classes she meets with regularly at the Live Oak branch. It was filled with letters and pictures from the students telling her how much they love coming to the library to hear her read stories to them and how much they will miss her now that they are moving on to 2nd grade. Jeanne said this is what makes her job so rewarding (Nominated by P. Turpenen).

Melinda Pasquinucci

For your perseverance and hard work in helping to get the laptops ready for the "Making Movies in the Library" summer reading program at SV. We really appreciate your dedication to overcoming the obstacles and getting everything installed and working (Nominated by B. McIlroy and L. Gault).

Gary Griffiths

For setting up the MovieMaker software on all of the laptops. We really appreciate your dedication to overcoming the obstacles and getting everything installed and working for the "Making Movies in the Library" summer reading program (Nominated by B. McIlroy and L. Gault).

Fred Ulrich

For service above and beyond the call - he plunged the blocked toilet in the DTN women's room and mopped the floor. It was Sunday and no maintenance staff were available. Much appreciated (Nominated A. Zilber)!

SANTA CRUZ PUBLIC LIBRARIES A CITY-COUNTY SYSTEM

LIBRARY JOINT POWERS BOARD

MINUTES

Scotts Valley Branch Fireside Room 251 Kings Valley Drive, Scotts Valley, CA 95066

June 3, 2013

6:15 PM

Closed Session – Labor Negotiations (Government Code §69967.6)

Teresa Landers, Library Director Tina Shull, Assistant City Manager

6:45 PM

PUBLIC MEETING

I. ROLL CALL

Present:

Supervisor Zach Friend, Supervisor Bruce McPherson, Councilmember Cynthia Mathews, Councilmember David Terrazas, Councilmember Jim Reed, Councilmember Michael Termini, Citizen Member Dick English, Citizen

Member Martha Dexter, Citizen Member Nancy Gerdt

Staff:

Teresa Landers, Library Director

II. APPROVAL OF MEETING AGENDA OF JUNE 3, 2013

Supervisor McPherson moved, seconded by Councilmember Mathews

That the Board approve the Agenda of June 3, 2013

UNAN

III. ORAL COMMUNICATIONS

None

IV. PRESENTATION: Local History Roadshow

Janis O'Driscoll introduced a project entitled "Local History Roadshow". A committee consisting of Library representation, UCSC library representatives, members of the Museum of Art and History, and Councilmember Mathews is working on the project which was initiated by Councilmember Terrazas. People will be invited to bring in their personal photo albums for scanning. The owners of the photographs will be given a digital copy and another copy is kept for the library's collection. This project is in the beginning stages with many aspects still to be worked out. Pilot testing will occur in four areas of the county on four different Saturdays in the Fall: the Live Oak branch and the Museum of Art and History are two of the sites. The committee is still looking for a site in the San Lorenzo Valley as well as in Aptos. The goal is to eventually bring the "Roadshow" to all branches of the library system on a regular basis. Three scanners with high resolution and excellent sturdy quality need to be purchased. Local history research is a highly used portion of the library's website and very popular with patrons. The goal is to get the pilot underway September through December 2013.

V. STAFF RECOGNITION

VI. MEMBER REPORTS

Citizen Member English reported that the Finance Subcommittee at their last meeting started to develop a charter document, in order to have guidelines that establish the Subcommittee's responsibilities and duties.

VII. CONSENT AGENDA

Councilmember Mathews moved, seconded by Councilmember Reed

That the Board approve the Consent Agenda of May 6, 2013

UNAN

A. Approve Minutes of May 6, 2013

VIII. FRIENDS OF THE SANTA CRUZ PUBLIC LIBRARIES REPORT

Cindy Jackson, member of the La Selva Beach Friends, gave an update on the Friends' activities in May which included:

- Hosted a SPRING BOOK SALE at the Downtown Library Branch and made \$10,000 to support the Santa Cruz Public Libraries. Special thanks to new business sponsors Kennolyn Camps and Digital Dynamics for their support as well to Penny Ice Creamery, who gave away 200 free scoops of ice cream to book buyers who spent \$20 or more.
- Partnered with the Santa Cruz Public Libraries and Bookshop Santa Cruz to host HIGHER MYSTERIES, the Noel Q. King memorial lecture at the Downtown Library branch.
- Held a planning Retreat for the FSCPL Board of Directors and staff.

FSCPL plans include...

- June 7, 2013 (Friday) Hosting WINE IN THE STACKS, an after-hours mixer for Library supporters that showcases the incredible programs that our libraries offer. Poet Laureate David Swanger will join us at WINE IN THE STACKS to support SCPL's tutoring program. Branciforte Library Branch; 6PM – 8 PM. Purchase your ticket at FSCPL.org
- June 8, 2013 (Saturday) Booksale at the Scotts Valley Branch
- Summer, 2013 Sponsoring the Kids Summer Reading Program (and accepting \$10 of Kids Summer Reading dollars at the Friends Bookstore).
- FSCPL is asking for special donations of gently used Children's books to make our July 28th Children's Book Sale at Harvey West Park a smashing success.

IX. STAFF REPORTS

- A. Monthly Narrative Report: May 2013.
- B. Statistical Reports
 Director Landers reported that circulation numbers are possibly still not accurately reported due to technical difficulties with Evergreen. Jessie Bunker-Maxwell's time is finally being freed up and she will be looking into this problem.

- C. April Financial Snapshot. The Board reviewed the financial reports and the Library Director responded to a number of questions.
- D. Accept Information Technology Plan. Director Landers summarized the background of the Technology Plan. The Board discussed various aspects of the new ILS with regard to keeping the public informed of upcoming changes; future improvements to the Library website; collaboration with the City IT Department, as well as outreach and targeted marketing. Director Landers responded to a number of questions including the timing of the migration in February 2014. The Board expressed appreciation of the exciting changes.

Councilmember Reed moved, seconded by Supervisor Friend

That the Board accept the Library Technology Plan

UNAN

E. Resolution to Adopt Reserve and Surplus Policies

The Board discussed the formal action to change the 5% operating reserve to a 2 month reserve policy and adopt a library operating fund surplus policy which was seen as a step in the right direction. Supervisor Friend emphasized that the Board's intent is to allow for flexibility in accessing funds if needed.

Supervisor Friend moved, seconded by Supervisor McPherson

That the Board adopt the Resolution amending the Fund Balance Policy to Include Establishing a Library System-wide Stabilization Arrangement (Resolution #2013-04) and the Resolution to establish a Library Surplus Policy. (Resolution #2013-05)

UNAN

F. Resolution to Adopt FY 13/14 Budget

Director Landers introduced the FY 13/14 Budget. The Board discussed the collection, lost and replaced items, and the addition of electronic resources. Reports on additions and withdrawals of materials will be part of the new ILS. The Board expressed appreciation for the creation of a very solid foundation for the library. The goals for the coming year indicate how much the library has moved forward due to the efforts of library staff.

Supervisor Friend moved, seconded by Councilmember Termini

That the Board adopt the Budget for the Fiscal Year 2013-2014. (Resolution #2013-06)

UNAN

X. OTHER BUSINESS

- A. Update from FMP Steering Committee
 Councilmember Reed reported that the Steering Committee met with Michael
 Zelber regarding construction management. The next meeting will be with
 Gene Bregman to discuss a survey and finding out what the community might
 be willing to support in terms of revenue. Group 4 Architects has given
 estimates on design costs for make-overs as well as new facilities.
- B. Chair Terrazas reported to the public on the Closed Session personnel item. No action was taken.

XI. WRITTEN COMMUNICATIONS

- A. Patron Written Comments
- B. Security Incidents Log
- C. Website Hits
- D. Articles About Santa Cruz and California Libraries
- E. Articles on Libraries Nationwide
- F. PowerPoint presentation from Financial Retreat
- G. Library Sales Tax and Property Tax Revenue
- H. Upcoming Programs

XII. BOARD MEETING CALENDAR

The Board agreed to move the meeting on November 4 to November 7, 2013.

XIII. NEXT MEETING

The LJPB will adjourn from the Regular Meeting of Monday, June 3, 2013 to the next regularly scheduled meeting on Monday, July 1, 2013 at 6:30 pm at the Downtown Branch Library.

IVX. ADJOURN

The regular meeting adjourned at 7:46 p.m.

Respectfully submitted,

Helga Smith, Clerk of the Board

All documents referred to in these minutes are available in the Library Office.

STAFF REPORT

DATE:

June 27, 2013

TO:

Library Joint Powers Board

FROM:

Teresa Landers, Director of Libraries

RE:

Library Information Technology Manager

RECOMMENDATION: LJPB approve replacement of the Network Access Administrator position with Library Information Technology Manager

BACKGROUND

In 2004 the Library Information Technology Manager retired and his responsibilities were transferred to Dan Landry who was promoted from a Library Information Services Specialist to a Network Access Administrator. In this new capacity he was responsible for network administration as well as operational management of the Information Technology Division.

In January 2012, the City of Santa Cruz revised the job descriptions for the Library Information Technology Division. At this time, they combined Library and City positions in an effort to create greater equity for Library staff. At this time Dan's position was vacant and the management responsibilities had been assumed by a senior library manager on a temporary basis. This position was not evaluated along with the others in Library IT.

In June 2013, the LJPB accepted a strategic plan for Library Technology. This plan describes the need for a Library Technology Manager and outlines the knowledge, skills and abilities for the person filling this position. Unfortunately, due to the revision of the Information Technology job descriptions; there is no longer a job description that closely matches the responsibilities expected of this library manager position. In fact, the position occupied by Dan no longer exists, and is now most closely matched with that of Network Administrator.

Reviewing previous job descriptions revealed one for an Information Technology Manager dated 1999 that appeared to come closest to what is now needed.

DISCUSSION

The Information Technology Manager job description most closely matches the needs identified over the past 18 months and in the Library's Technology Plan. It has been revised to reflect the changes that have occurred in the Information Technology field over the past 14 years and to better fit the specific requirements of the Library.

The network administration responsibilities are being performed by an Information Services Specialist III with technical assistance from consultants. One of the responsibilities of the new Library Information Technology Manager will be to review the roles and responsibilities of the current Library Information Technology staff and recommend changes for FY14/15.

The Library Information Technology Manager will be compensated at the same level as other division managers in the City's Information Technology Department: Information Technology Network Manager, Information Technology Operations/Customer Service Manager and IT Systems Manager/Database Administrator.

Since the Network Administrator position is already budgeted the estimated additional cost for upgrading to the Library Information Technology Manager is \$16,600 (total compensation) annually. From July to mid-September there will be \$27,147 in salary savings for the vacant position. It is also unlikely that the individual will be hired at as high a step as the position is currently budgeted. Therefore, in FY13/14 there will be a savings realized. The Library's personnel budget can absorb the additional cost in future years.

CITY OF SANTA CRUZ LIBRARY INFORMATION TECHNOLOGY MANAGER

Reports to:

LIBRARY MANAGER, SYSTEM SERVICES

Supervises:

Systems Coordinator, Information Technology Specialists I, II, &

III, and other classifications as assigned

Bargaining Unit:

Mid-Management

BASIC FUNCTION

Under general direction, plans, organizes, and directs Library Information Technology (LIT) services related to all computer and network hardware, software applications, telephone systems, and data telecommunications. Responsible for planning and implementing information systems; technology acquisition and implementation; project management; and supervision of division staff. Performs related work as assigned.

The Library IT Manager is a management level classification responsible for the supervision and management of the Library's information technology function. This classification is distinguished from the next lower classification of Systems Coordinator in that the latter is responsible for the development, administration, and maintenance of an assigned LIT system. This classification is distinguished from the next higher classification of System Services Manager in that the latter has overall responsibility for the Library System Services Division.

TYPICAL DUTIES (May include but are not limited to the following:)

- Oversees the implementation of LIT systems and applications, and ensures their ongoing effectiveness.
- Establishes standards, policies, and procedures for LIT systems and applications.
- Consults with Library management and staff to determine information technology needs and to define new system and/or user application requirements; evaluates applications and systems.
- Assesses the Library's current and future IT needs, establishes LIT priorities, and develops recommendations and budget proposals.
- Develops and administers the LIT Division budget, and reviews and approves requests for hardware, software, and services.
- Supervises and evaluates professional and technical staff.
- Prepares and evaluates bid proposals, specifications, and contracts; coordinates the
 acquisition, installation, operation and maintenance of information systems hardware and
 software, and monitors vendor and consultant contracts to ensure compliance with
 performance requirements.
- Establishes policies and programs for Library staff computer training.

- Establishes computer system and network security standards and policies.
- Works closely with the Library management team, other public agencies, employee groups, and the general public to establish LIT goals and policies consistent with the Library's goals, initiatives and service levels.
- Keeps current on trends and innovations in technology and in Library and Information Science; maintains awareness of current advances in technology as they relate to library needs and objectives; attends and participates in professional and community meetings.
- Applies for and administers grants related to Information Technology, including the Federal E-Rate program.
- May perform other duties as assigned.

WORKING CONDITIONS

Position requires prolonged sitting, standing, walking, reaching, twisting, turning, kneeling, bending, squatting and stooping in the performance of daily activities. The position also requires grasping, repetitive hand movement and fine coordination in using a computer keyboard. Additionally, the position requires near and far vision in reading written reports and work related documents. Acute hearing is required when providing phone and personal service. The need to lift, drag and push files, paper and documents weighing up to 25 pounds also is required.

Some of these requirements may be accommodated for otherwise qualified individuals requiring and requesting such accommodations.

MINIMUM QUALIFICATIONS

Knowledge:

- Principles and practices of delivery of IT services including, but not limited to: network management; e-mail administration; desktop support; application support; server maintenance and operation; web site design, development and support; disaster recovery planning and oversight; and cloud-based services.
- Management principles and practices, including budgeting, project management, and personnel supervision.
- Current trends and innovations in technology and Information Science.
- Design, integration, testing, implementation, documentation, monitoring, and evaluation of IT systems.
- Proprietary and open source operating systems and applications
- Virtual server environment
- Network infrastructure, including network security practices
- Database administration
- Website development applications

- Telecommunications, including Voice over Internet Protocol (VoIP)
- Remotely hosted applications
- Principles and practices of troubleshooting techniques

Abilities:

- Plan, budget, and manage major LIT projects.
- Direct, supervise, and evaluate the work of professional and technical staff.
- Communicate effectively, orally and in writing, including communicating technical information in non-technical terms.
- · Exercise sound judgment, analytical, and decision-making skills.
- Establish and maintain effective working relationships with library staff, vendors, consultants, and the public.
- Stay current with emerging information technology and its application to Library services.
- Establish and maintain appropriate documentation and reports.
- Work independently and as a part of a team.
- Ensure safe work practices.

Education and Experience

Any combination of education and experience that provides the knowledge, skills, and abilities required above is qualifying. A typical way to obtain these qualifications is:

- Bachelor's degree in Information Systems, Computer Science, Business Administration, Public Administration, or a closely related field; and
- Four (4) years of responsible professional experience in the development and analysis of information technology systems and applications, including two (2) years of supervisory experience.

Licenses

Possession and continued maintenance of a valid California Driver's license and a safe driving record, or ability to provide suitable transportation that is approved by the appointing authority.

DESIRABLE QUALIFICATIONS

- Master's degree in Information Systems, Computer Science, Library and Information Science, Public or Business Administration.
- Experience with Integrated Library Systems (ILS) and experience working in a Library.

TO: LIBRARY JOINT POWERS BOARD

FR: TERESA LANDERS, LIBRARY DIRECTOR

RE: 2013 LIBRARY HOLIDAY CLOSURE SCHEDULE

RECOMMENDATION: The LJPB adopt the following system wide 2013 holiday closure schedule.

DISCUSSION

Please review the following proposed holiday closure schedule for all 10-library branches and the HDQ Administration offices.

SYSTEM WIDE HOLIDAY CLOSURE

Thursday, November 28, 2013 (Thanksgiving Holiday) Friday, November 29, 2013 (Day After Thanksgiving Holiday)

Tuesday, December 24, 2013 (Christmas Eve) Close at 2 pm Wednesday, December 25, 2013 (Christmas Holiday)

Tuesday, December 31, 2013 (New Years Eve) Close at 2 pm Wednesday, January 1, 2014 (New Years Day Holiday)

The City holiday schedule dictates a half day holiday for staff on Tuesdays December 24 and 31 so we are requesting the branches close early these days.

We also request that Felton not open at all on Christmas and New Years Eves as they normally open at 1 pm and would only be open one hour. Garfield Park opens at 2 pm so would also not open at all. The other branches open at either 10 or 11 so would be open 3 or 4 hours.

MONTHLY REPORT FOR JUNE 2013

1. READING, LISTENING AND VIEWING FOR PLEASURE

A. Children in Santa Cruz County will enter school ready to read, write, listen and learn.

Program staff continues to do many preschool class visits for Raising a Reader. Classes come to the library for stories and a tour. They receive their first library cards and get to check out a book or two to take home.

Two first grade classes from Del Mar School visited Live Oak branch library on the day before the last day of school. They have been coming monthly all year and they were excited about summer and becoming 2nd graders, but they were all a little nostalgic about the last visit with their class. The teachers on the other hand will be coming next fall with new groups of first graders. It is a terrific partnership between the school and the library.

B. All ages will have materials, programs and displays that reflect current community interests and provide pleasurable reading, viewing and listening experiences that help them reach their personal literacy goals.

Due to a generous donation from Anna Gruber, Branciforte branch received an infusion of a lot of new books and movies. Some of the new items are replacing old worn-out copies of books we've had, most are new items to the library system. We have Anna Gruber displays in the Juvenile, Young Adult and Adult fiction areas.

Currently on display at the Live Oak Branch, is a collection of Live Oak/Santa Cruz local history photos and books in our adult side display case. Also featured in the display are brochures for 6 different self-guided walking tours around the Live Oak area. These walking tours were developed by local historian Norman Poitevin after years of gathering information about Live Oak. Since 2007, he has also led a series of guided walks sponsored by the Live Oak Neighbors group. The walking tour brochures are available at the Live Oak Branch Library.

In the spirit of summer travels/journeys, Garfield Park had a display that featured guide books, local hiking books, and writings on travel. There were also quotes from different authors about their travels, such as John Steinbeck from Travels With Charlie, Rolf Potts's Vagabonding, and Phil Cousineau's, The Art of the Pilgrimage.

As Summer was quickly arriving CMS made a deliberate push to get Juvenile titles out to the Branches and Downtown. We wanted to make sure that there were lots of choices for our younger patrons as they participate in the Summer Reading Program.

Reading is So Delicious was the theme for displays at Scotts Valley. Paula Jansen created suggested reading lists for both kids and adults to enjoy while attending the summer events.

Boulder Creek is enjoying the large patron photos (part of the Libraries Inside Out display) Mariah Roberts and Daniel Ruiz hung in the meeting room and foyer.

Capitola children's area is celebrating the end of the school year with a display entitled SUMMER VACATION! There are travel titles as well as lots of books on how to make sandcastles, build forts, go off to camp and roast the perfect marshmallow. We also feature a few of the wonderful read and play kits with focus on beach and water play that are proving to be very popular with our younger patrons. For our adult readers, Galina Wells has collated a display honoring fathers for the whole month of June.

In conjunction with the Presidential Proclamation for the month of June, Maile McGrew-Frede has created an adult display that features information on the Lesbian, Gay, Bisexual and Transgender community. The display is meant to share information and continue the discussion on issues that affect the GLBT community and their families. It also lets the GLBT community know, and especially our GLBT youth, that the library is a welcoming and safe place for all. Many of the display books have been checked out during the month.

The Downtown Book Discussion group has been meeting on the third Thursday of the month at 1:00 for about 7 years. The size of the group varies, but usually has 5-8 participants each month. The group is composed of voracious readers, several of whom have read all the titles in the library's book discussion kits! The group has read mostly fiction, but also enjoys non-fiction and has discussed some magazine articles and films in the past. New members are always warmly welcomed! The group chooses books several months in advance to ensure that the library has an opportunity to get enough copies for the group. Upcoming titles include Spartina (July), Beautiful Ruins (August), The Tenderness of Wolves (September), Wild (October), and Turn of Mind (November). Julie Richardson of the Reference Team is the group's facilitator.

The Capitola pre-school story hour has continued to draw in more and more participants each Friday and now with the summer reading school age crafts project as well the branch is resembling a regular happy classroom for all ages on Fridays. The adult patrons who drop by to pick up books or use the computer seem to enjoy the lively goings on in the children's area and the park outside almost as much as the kids!

C. People of all ages will have friendly support and intuitive access to the materials and resources they want.

2. LIFELONG LEARNING

- A. People will have access to a relevant collection of resources in diverse formats for all ages.
- B Library users will have access to innovative and successful programming which reflects the cultural, educational and informational needs of the diverse communities served by SCPL and which will help learners of all ages to achieve their goals.

Robin Macomber from the Digital Media Factory had 12 budding film-makers in the introductory class of this program sponsored by the Scotts Valley Friends of the Library. The groups used the photogenic patio for their stage, and the fantasy chair in the Fireside Room made an impressive prop. Part 2 of the course is next week. July 3rd will be a sharing day, and the course will progress through the end of July. July 10 will offer another chance to take the introductory class for anyone who missed this session.

Boulder Creek's last Homework Help session of the school year was held on May 29. The students were all very sorry to see it end and sadly said good-bye to their favorite homework helper, the fabulous Estelle Fein. We are all hoping the program returns next year.

Summer Reading 2013 – Reading Is So Delicious – started off with a bang. In the first week of Summer Reading we hosted 9 performances by the Fratello Marionettes. They did three different shows and had such a great following that many families went to more than one branch to see them again and again. In all 1,071 library lovers saw their performances. Local Surfing Magician, Doug Hofkins, is bringing in the big crowds as well. He still has two more performances booked (one at the end of June and one in July). For the 5 performances so far we have had 481 library lovers. At least one person at every show tells staff how much they love the library and the summer programs in particular. Smaller, more intimate, crowds have thoroughly enjoyed Storyteller Jerry Falek telling "Delicious" stories for all ages.

As of 5 pm on June 24 (exactly 2 weeks after summer Reading officially began) we have 1804 kids signed up for Summer Reading, 21 have already cashed out for their Summer Reading \$, and over 3,000 people have attended summer programs.

Summer Reading Program started off with a bang at La Selva Beach!! The Fratello Marionettes performed during our Storytime on June 11th. We had 144 people in attendance! (That's not a typo. Sandi Imperio, our Programming Team Liaison, was keeping track with a counting device.) The most wonderful part was that everyone, even the very young children, was enthralled.

The monthly "Beginning Ipad" and "eBooks and More" classes have been well attended at the Live Oak Branch. Thanks to SCPL Reference staff, we can offer these valuable classes to our patrons.

The Summer Reading Program at Garfield Park has been wildly successful at Garfield Park. The events have been very enthusiastically attended, with over 90 people on laid out blankets in the front yard for the Surfing Magician, overflowing attendance for the Fratello Marionettes, and 50 plus gleeful children playing bubbles. The weekly craft was also well attended. The Garfield Park Garden Project is really taking off. There are cucumbers growing and tomatoes as well as lettuce, radishes, bell peppers, onions, pumpkins, watermelons and various herbs. Also, many beloved stuffed animals were dropped off for a night of fun at the stuffed animal sleep over, to be picked up on Monday the 24th, with a slide show of the night's events and story time to follow.

Nikola Clay had 19 happy people dancing around at BC library last Saturday in this performance sponsored by the Boulder Creek Friends of the Library. No one was allowed to be a spectator, from the youngest 3 year old to the adult mother-daughter team. Everyone had a great time and learned dances from Africa, Arctic, Europe and South America. The Fratello Marionettes entertained 151 very happy people at Boulder Creek with their performance of Aladdin.

Capitola was packed out for the Fratello Marionettes as well, and we are expecting a sell out crowd again for our Surfin' Magician who will perform in the playpark outside the library on Friday, June 18th.

The Aptos Library has held two very successful programs so far. Both the Fratello Marionettes and the Surfing Magician were big hits. Both programs were held in our meeting room which is a very accommodating space for our families. After each program, many families came to the reference desk to sign up for the Summer Reading program. They also checked out many books for the entire family which kept the circulation desk and self checks busy.

Monthly jail service has been put on hold for the summer, while we discuss the best way to continue given our staff limitations and the crowded conditions and low staffing level at the jail. We will continue some sort of outreach to the jail but it may not be monthly visits in the future.

The Scotts Valley Chapter of the Friends of the Library is helping to support programs on Wednesday and Saturday afternoons:

Teen Tech Tasters with the Digital Media Factory's Robin Macomber presented a two part session focused on Making Movies in the Library on successive Wednesdays. Saturday afternoons in June presented family movies like *Cars* and *Cloudy with a Chance of Meatballs*. On June 29 everyone was entertained by the magical world of the *Busy Bee Dogs* who are talented formerly homeless pets who love to please the crowds.

C. People will have access to innovative technology and the tools necessary to find, evaluate and use information and resources to meet their learning needs. Branciforte library aide, Tania Berlinski, who is in library school, has been putting together a variety of helpful book lists: A rhyming book list for picture books, a readalike book list for the Warrior series by Hunter and an Alphabet picture book list.

Diane Cowen, Virtual Services Coordinator, continues with her grant funded Eureka! Project, Soundswell. A press release describing the project is in the board packet communications section.

Several new databases will be available July 1:
Applied Science and Technology Source
Auto Repair Reference Center
Hobbies and Crafts Reference Center
Home Improvement Reference Center
Library and Information Science Source
Small Engine Repair Reference Center.
Medici.tv
Little Pim (Mango languages for kids)
Marketing will begin soon to introduce these to the public.

3. COMMUNITY CONNECTIONS

A. The library will initiate and nurture partnerships with the public, private and nonprofit sectors in Santa Cruz County for the mutual benefit of the partners, the library and the community.

The Scotts Valley branch was one of three venues for a teleconference meeting of the Area Developmental Disabilities Board VII members in June. The teleconference enabled more members of the Board to attend and take part in their meetings

The Aptos Library has partnered with Furry Friends, the non-profit group that provides animal reading buddies for our Tales to Tails program. We are happy to host this wonderful program and look forward to seeing our young readers partnered with their furry reading buddies.

B. People will strengthen their ties with each other, the community and the library.

June 8th was a very fun day at LSB! The Friends of the LSB Library sponsored "The Sand Guys", a world renowned group, to lead a workshop on creating sand castles extraordinaire. The event took place at the private beach in La Selva with 50 participants from all over the county ranging in age from the very young to the young at heart! It was truly heartwarming to see families sharing this timeless tradition of beach play. And what a perfect way to kick off the Summer Reading Program! We were able to promote the program and sign up several kids. Thank you Friends for making this magical day happen

and thank you Sandi Imperio for bringing the SRP booklets and lending your time and energy.

On Friday, June 9th, Library Assistant Chantel Van Pelt volunteered for the Friends event at Branciforte: "Wine in the Stacks". Chantel spent a lot of time creating materials to be used for a "photo booth" which seemed to be a big hit with the community. Overall, this event was quite successful, netting \$700 for the Friends. They hope to do more of these at branches throughout the system.

C. The community will recognize the value of SCPL in improving their lives and will recognize SCPL as an asset to their community.

Branciforte branch had a lovely visit from Katy Scowcroft's 2nd grade class from Gault Elementary school. About 20 children as well as the Gault librarian and Ms. Scowcroft came to the library to sign up for Summer Reading. With the help of the PIC, Lauren Suhd, we signed up almost 20 children for Summer Reading. It was especially nice for the PIC since she has known Katy since she was a 2 year-old!

5th District Supervisor, Bruce McPherson, held a Town Hall meeting in Boulder Creek's amphitheater to discuss the Boulder Creek Town Plan.

D. Volunteers will be used effectively.

One of Scotts Valley's volunteers, Shawna, has been giving her time and helping branch staff since the beginning of January 2012. She started as a book shelver and has gradually expanded her skills and expertise into becoming our book mender. Shawna is diligent in keeping to her weekly Wednesday morning schedule and the staff truly appreciates her attention to detail and dedication to serve the community.

Aptos volunteer and regular patron Becky Steinbruner offered her labor and gardening skills to create a new garden plot in the planter closest to the entrance of our branch. She removed a lot of debris and soil from the old plot and added fresh soil and new drought resistant native plants. Becky has agreed to tend to the plot over the next year. We welcome the fresh new look.

4. WELCOMING PLACE

A. Identify the physical changes and funding required to provide 21st-century library facilities.

The Scotts Valley back patio area is now available for everyone to enjoy while at the branch. The landscaping and colorful furniture was provided by the fundraising efforts of the Scotts Valley Chapter of the Friends of the Library.

Building Maintenance staff installed sun awnings over Boulder Creek's sunny deck enabling patrons to have shade while they study, read and play outside.

Building Maintenance staff Daniel Ruiz and volunteer recently added a fresh coat of paint to our display case at the Aptos Branch. The case is used for public displays and the new paint job gives a bright new background to our monthly displays.

The Facilities Master Plan Steering Committee continues to meet and has presented some recommendations for board consideration.

B. The virtual branch meets the definition of a welcoming place.

The new mobile app for Santa Cruz Public Libraries is so popular and easy to use. Patrons have commented on our new feature with enthusiasm. Garfield Park patrons have commented that they are very pleased and impressed with the SCPL app.

C. People receive service at the level they need and want.

5. FINANCIAL SUSTAINABILITY

A. The library system maintains a healthy and stable financial position.

A well balanced budget was adopted in June including a two month operating reserve policy.

B. There is adequate, stable and diverse funding to finance ongoing operations, key strategic initiatives and capital projects.

Teresa Landers presented a review of the past year and a preview of the coming year for both the Santa Cruz City Council and the County Board of Supervisors.

C. Services of a defined level and quality are consistently delivered based on revenue projections and supportive organizational and operating structure.

Howie Kimel at CMS has done a wonderful job to turn the impossible into the possible. Owing to various reasons, Evergreen's Acquisitions module is unable to update in real time the balance of various material funds, but relies on manual feeds. Howie uses his efficient and accurate financial skills to keep our financial data up to date, and keep the Selection Team well informed.

C. The library operates efficiently and focuses on continual improvement. Effective July 1, Onsite Services Manager, Gale Farthing will take on the responsibility of supervising the Reference team. This will integrate all staff involved in direct service at the branches into one cohesive unit. Janis O'Driscoll will continue in her role as

Manager of Programs and Partnerships. The change will give Janis more time to focus on grant writing, developing community partnerships and marketing library services and programs.

6. ORGANIZATIONAL READINESS

A. Staff receives adequate training to do their jobs effectively.

Linda Gault attended an online webinar titled "Amp up your Technology Training" provided by WebJunction. It detailed many suggestions for engaging the community's use of the technology provided by the library.

Boulder Creek's PIC, Cathy Landis, completed Infopeople's online class "Customer Service: Dealing with Difficult People".

Aptos staff Lynette George and Maile McGrew-Frede attending the most recent Skill Share training at the Scotts Valley Branch on June 19th. A dedicated team of reference staff educated the attendees on the many reference databases that the library offers. This will help Aptos staff teach the available databases to our patrons.

B. SCPL is committed to developing current library staff to become tomorrow's library leaders.

Branciforte Library Assistant, Kevin Hildreth has been taking an online Reader's Advisory class for teens and young people.

Jeanne O'Grady will take over July 1 as the team leader for Programming and Sarah Harbison will be the team leader for Reference. These are annually rotating assignments. Thank you to Sandi Imperio (Programming) and Deborah Lipoma (Reference) for their leadership this past year.

- C. Employees have the skills to execute change and are committed to change and continual improvement.
- D. A customer-driven service philosophy guides staff training and development.

STAFF REPORT

DATE:

June 27, 2013

TO:

Library Joint Powers Board

FROM:

Teresa Landers, Director of Libraries

RE:

Comparators and Materials Expenditures

RECOMMENDATION: Report is information only.

BACKGROUND

At a recent Finance Committee meeting the issue of library comparators for benchmarking was raised. This was reinforced at the June LJPB meeting where a request was made to look at the percent expenditures for materials by comparator libraries.

During the task force on financially sustainable alternative service models the issue of amount to be spent on materials was also brought up. At that time, research showed that library systems identified as industry leaders spent an average of 12% on materials and this was adopted by the LJPB as something to strive for as the economic climate improved.

The Public Library Data Service (PLDS) is an aggregator of statistics from public libraries throughout the United States and Canada and presents data in a large number of areas. This data was the source of the research for the report presented here.

DISCUSSION

SCPL is a difficult library to find direct comparators given its unusual governing structure and financial support system. Thus, an approach was taken to compare SCPL with other public libraries based on the following criteria:

- Circulation (within 5%)
- Population (within 5%)
- Operating Expenditures (within 5%)
- Number of branches (9 or 10- a range was used as the report required Downtown to be entered as a Central facility and was not counted in the number of branches)
- Number of borrowers (within 5%)

Not surprisingly, no other library matched on all five criteria. One matched on three and four matched on two. In addition, a calculation was made for each criterion of the amount spent on materials as a percentage of total revenues which is how SCPL calculates it.

LIBRARY	MATCH POINTS	% SPENT ON MATERIALS	NOTES
Clermont County	Population	11%	Is a County
Public Library	# of Branches		system
Batavia, OH	# of Borrowers		
Live Oak Public	Circulation	9%	
Library System	# of Borrowers		
Savannah, GA			
Atlantic County	Population	9%	Is a County
Mays Landing, NJ	# Branches		system
Arlington Department	Population	13%	
of Libraries	Operating Expenditures		
Arlington, VA	1989 MANUSCO 13897		
Eugene Public Library,	Operating Expenditures	7%	
Eugene, OR	# of Borrowers		

At the time this data was collected SCPL was spending 7% on materials. The average of the comparators listed above is 9.8%. All the data is from FY11/12 with the exception of Circulation which uses FY10/11. For some unknown reason, SCPL circulation for FY11/12 is not included in the PLDS report so could not be used for calculation.

In addition, only two California libraries showed up as possible comparators: Santa Monica for Circulation with materials expenditures at 10% and Hayward for Number of Borrowers with materials expenditures of 9%.

The range across all criteria is 6% to 15% with an overall average of 10.2%. This does indicate that SCPL is on the low end; or has been in the past few years. This year's dedication of 9% is an indication that we are moving in the right direction.

It will be valuable to repeat this research when the 12/13 data becomes available in early 2014. This also provides a good list of comparators to use in the future. At times, one criteria or another might be considered most applicable to use as the basis for comparison. For the purposes of comparing what is spent on materials, all five of these criteria are valid.

The complete tables of data are attached.

STAFF REPORT

DATE:

June 20, 2013

TO:

Library Joint Powers Board

FROM:

Facilities Master Plan Steering Committee

Via Teresa Landers, Director of Libraries

RE:

Facilities Master Plan Steering Committee

RECOMMENDATION: Approve a motion authorizing the Library Director to negotiate and execute contracts in the amount authorized in the FY13/14 budget for financial and polling services relevant to implementing the Library's facilities master plan.

BACKGROUND

The Library's Facilities Master Plan was accepted in April 2013. An ad hoc committee of the Board was formed to work on how to implement the plan.

To date, the committee has received input from a variety of professionals in related areas including construction management, government financing and polling.

The fiscal year 13/14 budget includes allocations for both financial and polling consultants.

DISCUSSION

In consultation with a variety of experts, the committee recognizes that the first step before making any decisions on how to proceed requires polling the electorate in anticipation of presenting a ballot measure to finance the implementation of the facilities master plan.

In order to do an effective poll, we need to have a better sense of the potential cost to taxpayers. Since there are many options when it comes to structuring the financial aspect, it is important to get analysis, advice and input from an expert on government financing. Our situation is further complicated by our particular governing structure.

These two consultants work closely not only with the Library JPA but with each other to develop the most viable options to then test with the electorate. The recommended financial advisor is Tim Sheurer. He has worked for the City of Santa Cruz as well as with Gene Bregman, the identified pollster. Gene Bregman is the only pollster in Santa Cruz County and has a great deal of experience working with the Library.

It is anticipated that the polling can take place in July or early August with full results presented to the LJPB at the September 9 regular Board meeting. These results will then inform the rest of the implementation process. The Facilities Master Plan Steering Committee recommends approval of a motion authorizing the Library Director to negotiate and execute contracts in the amount authorized in the FY13/14 budget for financial and polling services relevant to implementing the Library's facilities master plan.

Dear Paula,

Thank you for going the extra mile to get our cards processed and mailed out. You are a gem.

I will forward your email to the 3 families so they can keep an eye out for them. Please let Valerie Murphy know the group had a fabulous time. THANK YOU!

You all run a wonderful program, and we feel so blessed to be able to take part in what you have to offer.

With much appreciation, Lily

Lily Hasebe, Director Neighborhood Childcare Center 904 Western Drive Santa Cruz, CA 95060 (831) 423-9073

Local artists sought for second mural of 2013

After a successful Mural-in-a-Day was completed on the side of Nob Hill Market on Saturday and Sunday, May 18 and 19, the call has gone out for artists to design a second mural in Scotts Valley.

Scotts Valley Mural-In-A-Day Project seeks artists in Santa Cruz County to design a mural for the north side of the new Scotts Valley library. The theme for the mural is "Remembering Sky Park Airport."

Proposals are due at 4:30 p.m., Friday, June 21.

Those interested should send email dawn@scottsvalleyartisans.com to notify the Regional Artisans Association of interest and to receive detailed instructions. Artists will be required to send a color drawing to scale of their mural along with a list of material to be used, their resume, contact information, examples of other works, background information, a statement of your design, and a self-addressed stamped envelope for return of materials. Mail items to Scotts Valley Artisans, c/o Dawn Teall, 230-D Mt. Hermon Road, Scotts Valley, CA 95066. Fax or email are not accepted. The winning design artists will receive of stipend of \$2,000 when the mural is completed. For more information: 439-9094, or info@scottsvalleyartisans.com.

Local author releases yoga book

Scotts Valley author and illustrator Ellen Allen released her first children's book, "Yoga Mom."

On each page, Allen illustrates the different physical and behavioral qualities that yoga practice brings about. Allen said in a press-release that she hopes to inspire an encourage non-yoga-practicing moms to begin yoga for the physical and mental health benefits.

The book shows the qualities and benefits that yoga brings including a flexible spine, patience, confidence, physical strength, and a healthy heart. The book is for sale for \$9.99 on www.amazon.com.

For information: 421-2684 or email Positive Scribes@gmail.com.

Summer reading to launch at library

The Santa Cruz Library System's annual summer reading program is set to begin June 10. All ten branches in the system, including Scotts Valley, Felton and Boulder Creek will participate in the program themed "Reading is delicious."

Children and teens can track their reading and earn summer reading dollars and attend programs all summer long. For information, contact a local branch or visit www.santacruzpl.org. Sign-ups begin June 10 and the program concludes July 28 with the annual Festival of the Book, from 1 to 4 p.m. on July 28 at Harvey West Park, 326 Evergreen Street in Santa Cruz.

To comment or submit information for brief news items, e-mail pbeditor@pressbanner.com or post a comment on www.pressbanner.com.

FOR IMMEDIATE RELEASE

June 19, 2013

WHAT: Call to local musicians: SoundSwell: Santa Cruz Public Libraries Local Music Database project seeks to license your music

WHEN: Additions are ongoing. Test database launch scheduled for August

WHO: Local Musicians of Santa Cruz County

WHERE: Santa Cruz Public Libraries

The Santa Cruz Public Libraries (SCPL) and Santa Cruz Rehearsal Studios (SCRS) are working together on a project to expand access to local music. *SoundSwell: Santa Cruz Public Libraries Local Music Project* is beginning construction on a streaming database of local music that library cardholders can download for free. The project also seeks to establish an historical archive of local music for future generations. The library respects the time and money it takes to create musical works and hopes to purchase licenses for these albums directly from local musical artists.

Virtual Services Coordinator Diane Cowen says, "We are lucky to have such a vibrant local music scene which contributes to the unique cultural identity of Santa Cruz. SCPL wants to help the creators of our local culture to connect with each other, connect with the community, disseminate their art, and contribute to the historical record of Santa Cruz. And we want to pay them for their hard work!"

Local musicians interested in licensing their music can find more information about the project at the Santa Cruz Rehearsal Studios blog: http://bit.ly/150bYiv or by contacting Diane Cowen of the Santa Cruz Public Libraries or Jennifer Gallacher of Santa Cruz Rehearsal Studios.

[calix] [CSL_FYI] Younger Americans' Library Habits and Expectations | Pew Internet Libraries

Brandis, Rushton@CSL <Rushton.Brandis@library.ca.gov>
To: "calix@lists.gseis.ucla.edu" <calix@lists.gseis.ucla.edu>

Tue, Jun 25, 2013 at 8:47 AM

The full report is available at

http://libraries.pewinternet.org/2013/06/25/younger-americans-library-services/

Summary of Findings

Younger Americans—those ages 16-29—exhibit a fascinating mix of habits and preferences when it comes to reading, libraries, and technology. Almost all Americans under age 30 are online, and they are more likely than older patrons to use libraries' computer and internet connections; however, they are also still closely bound to print, as three-quarters (75%) of younger Americans say they have read at least one book in print in the past year, compared with 64% of adults ages 30 and older.

Similarly, younger Americans' library usage reflect a blend of traditional and technological services. Americans under age 30 are just as likely as older adults to visit the library, and once there they borrow print books and browse the shelves at similar rates. Large majorities of those under age 30 say it is "very important" for libraries to have librarians as well as books for borrowing, and relatively few think that libraries should automate most library services, move most services online, or move print books out of public areas.

At the same time, younger library visitors are more likely than older patrons to access the library's internet or computers or use the library's research resources, such as databases. And younger patrons are also significantly more likely than those ages 30 and older to use the library as a study or "hang out" space: 60% of younger patrons say they go to the library to study, sit and read, or watch or listen to media, significantly more than the 45% of older patrons who do this. And a majority of Americans of all age groups say libraries should have more comfortable spaces for reading, working, and relaxing.

SUSAN MAURIELLO, J.D., COUNTY ADMINISTRATIVE OFFICER

May 29, 2013

AGENDA: June 3, 2013

BOARD OF DIRECTORS Library Financing Authority 224 Church Street Santa Cruz, California 95060

REVISED REVENUE ESTIMATES FOR 2012-13 AND 2013-14

Dear Members of the Board:

The purpose of this letter is to provide your Board with revised estimates of the funds available to the libraries for 2012-13 and 2013-14. The revised estimates, which update the estimates provided in January 2013, are based on the most recent data on sales and property tax revenues and updated population numbers for the service areas of the Santa Cruz City/County Library System and the Watsonville Library

The tables that follow and Attachment 1 show:

- √ The population percentages used to distribute Library Financing Authority funds for 2012-13 and 2013-14; and
- ✓ The revised revenue estimates for 2012-13 and 2013-14.

Population

As shown in Table 1 there has been little change in the population percentages over the last year. The population numbers are from the E-1 Reports of the State Department of Finance.

Table 1
Population Percentages for 2012 and 2013

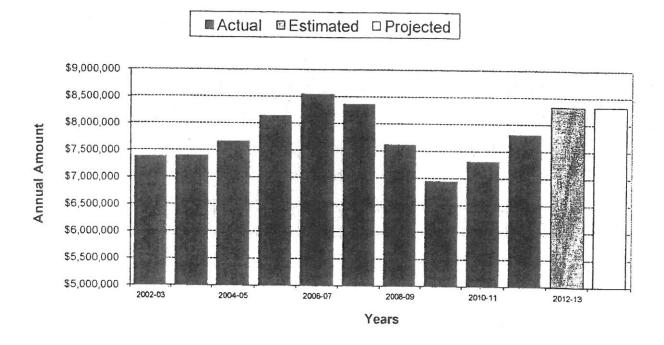

Item	2012	2013	Change
Santa Cruz City County Library System Watsonville Library	77.46% 22.54%	77.51% 22.49%	0.05% -0.05%
Totals	100.00%	100.00%	0.00%

Sales Taxes

As illustrated in the following graph, the sales tax component of the 2013-14 revenue estimate is based on 2012-13 performance. The estimate is conservative and therefore does not anticipate growth for 2013-14. We will provide an update on Sales Tax revenue when the final results for the fourth quarter

of 2012-13 are known in July. Through May, Sales Tax revenue for the fourth quarter of 2012-13 was \$98,600 above our January estimate. Attachment 2 provides a history of the library sales tax receipts.

Library Sales Tax Revenue - Actual and Projected Receipts

Property Taxes

The property tax estimates used to calculate the 2013-14 County Maintenance of Effort (MOE) contribution are based on 2% revenue growth. This includes the State Consumer Price Index (CPI) of 2% assessed value growth and an anticipated additional 1% assessed value growth due to partial Proposition 8 restorations as the market begins to recover from the previous years' reductions in assessed value.

Per the Joint Exercise of Powers Agreement for the Library Financing Authority, the MOE contributions from the Cities of Santa Cruz and Watsonville are fixed and set at \$1,394,751 and \$541,684, respectively.

Revised Revenue Estimates

As shown in Table 2, the revised revenue estimate for 2012-13 increased by \$214,177 from the revenue estimate provided to your Board in January 2013 and the revenue estimate for 2013-14 has improved by \$188,032. Measure R Sales Tax estimates are based upon actual receipts through May, 2013. The Auditor-Controller has an existing procedure in place to distribute excess revenue as it is

AGENDA June 3, 2013 Page 3

received in accordance with the population percentages approved in the current fiscal year Library Financing Authority budget.

^{*} Net of the \$3,500 required for the annual audit which was authorized by the Library Sales Tax ballot measure and the State Board of Equalization's Administrative Cost Assessment

Library Tax Data

HdL Companies currently provides the County with sales tax data and reports and conducts tax audits to recover unpaid revenues. Because the County's Measure "R" Library Tax is a separate tax, HdL Companies has offered to enter into a separate agreement and resolution with the Library Financing Authority to provide similar services. The data and reports would provide staff with better information for projecting sales tax revenues, while the transaction tax audits would insure that the Library Financing

Authority is receiving all revenues to which it is entitled. HdL Companies occasionally finds incidents where the tax has not been paid, though the amounts are not always large.

Under the proposed agreement, HdL Companies would provide the data and reports at no additional charge as long as they can provide them in conjunction with their current arrangements with the County, including meetings and correspondence. In addition, to conduct the transaction tax audits, HdL Companies would cover its costs by charging against any new revenues that their audits generate.

Recommendation

At this time it is RECOMMENDED that your Board take the following actions:

- 1. Approve the amounts shown in Table 2 on page 3 of this letter as the revised revenue estimate for 2012-13 and the final revenue estimate for 2013-14;
- Authorize the Auditor-Controller to make all necessary adjustments to facilitate 2012-13
 year end closing and 2013-14 budget adjustments and distribute any revenue received
 in excess of the adopted budget in accordance with the population percentages;
- 3. Authorize the County Administrative Office to negotiate and execute an agreement with Marcum, LLP for the annual audit at a cost not to exceed \$3,500; and
- Authorize the County Administrative Office to negotiate and execute an agreement with HdL Companies for data and reports on the County's Measure "R" Library Tax at no additional charge and for transaction tax audits with charges being paid out of new revenues.

Very/truly yours/

∕Carol D. Kellÿ
