

Preliminary Design Considerations as of September 28, 2017

- Intuitive Way Finding
- User Friendly **service points** (service desk, book drops, check-out, etc.)
- Environmentally Friendly
- Lots of Natural Light (**windows**)
- Warm and Comfortable
- Natural Ventilation (**air conditioning**)
- Art Throughout
- Plenty of Technology
- Flexible/**Adaptable**
- Safe
- Streamlined Work Flows
- **WOW** Factor

Potential Other Design Considerations

- Welcoming entrance
- More bathrooms, family bathrooms, changing tables, and water fountains
- Physical accessibility (shelving, technology, ADA)
- Managed acoustics
- Ample, dedicated parking and secure bike racks
- Abundant outlets for technology devices/charging stations
- Outside reading spaces
- Clean/easy to maintain
- Cost effective
