

Getting Started with the Fire 7 Tablet

Getting Started

- Connect to WiFi.
- Register the tablet with your Amazon account. If you don't have one, you can create one.

Things to Try

Download apps to access FREE ebooks, audiobooks, streaming video and music from the library.

- SCPL app: Look for "Santa Cruz Public Libraries" in the app store.
- Libby: ebooks, audiobooks, and magazines (coming soon).
- hoopla: ebooks, audiobooks, graphic novels, TV, movies, and music.
- Kanopy: films and documentaries.

Visit www.santacruzpl.org/ematerials to learn more about these apps and more.

Before returning the Fire to the library, be sure to reset the tablet to remove your personal information.

To reset, click Settings , then Device Options, then click Reset to Factory Defaults. Remember to also return the charging cable and the power adapter!
